

The BACW's Bidding Commission hereby presents question made by companies with their respective answers.

REMARK: The questions presented in this "Questions and Answers" are numbered as they are answered by the Bidding Commission and may not match the numbering provided by the companies.

1. **Question:** In Support of Question #1 of "QUESTIONS AND ANSWERS #8 Updated on July 31, 2019", the only way to perform a credible proposal from the technical and financial point of view is to do a site survey in relation with the deployment of the WAM system in Porto Alegre. As pointed out by the question, theoretical analysis based on terrain databases may conclude on a list of potential sites that at the end may not be feasible for example for legal or administrative reasons. It is kindly reminded that, according to the tender requirements, the contracting authority is responsible for the provision of the sites for the deployment of the WAM elements, even though installation shall be performed by the contracted party. A proposal based on a theoretical analysis of the alternative sites will not have full credibility from the financial and technical point of view, including the compliance with the deployment schedule.

Therefore it is kindly suggested that BAC considers a and additional extension for the delivery of the proposal and to organize a site survey in the area of Porto Alegre to agree on the potential alternative sites. The cost of participation in the site survey should be borne by the interested bidders.

Answer: *The site survey is open to any Bidder. In order to perform the site survey, please contact:*

- Equipment WAM Porto Alegre: Cpt Rodrigo +55 (51) 99616-5403 and +55 (41) 3251-5546

- Equipment ADS-B: Lt Col Luciano +55 (41) 99244-3203 and +55 (41) 3251-5340.

Moreover, due to the interest of the Administration as requested by CISCEA, this solicitation shall be postponed as per publication on BACW's Website.

Notwithstanding, In accordance with the Invitation For Bid item 33.1, *Any doubts arising from the provisions of this Invitation for Bid may be the subject of consultation, in writing, to the **Bidding Commission** in charge of this bidding process.*

Based on that, the BACW's Bidding Commission reinforces that questions shall be submitted to con@cabw.org and no agents outside BACW should be copied in the e-mail. Thus, only answers published in BACW's website are considered official and part of the solicitation file.

Furthermore, the Brazilian Aeronautical Commission appreciates the question, and stands available to clarify and explain any doubts or concerns in order to increase the BID quality. Any questions or concerns must be submitted to con@cabw.org

Note: This information has been made available at BACW website in the publishing for the related Bidding Process.
