CELOG PAG Nº: **67101. 000321/2018-84**
BACW PAG Nº: **67102.181301/2018-95**
CONTRACT Nº **NUMBER]/PAMAGL/2018**

LOGISTIC SUPPORT TO C-130 AIRCRAFT, EXCLUDING FULL T56A-15 ENGINES, AND AERIAL FUELING (REVO) SYSTEM AND MODULAR AIRBORNE FIRE-FIGHTING SYSTEM (MAFFS), INCLUDING THE PERFORMANCE OF MAINTENANCE SERVICES, REPLACEMENT OF EQUIPMENT, PERFORMANCE OF REPAIRS AND REPLACEMENT OF EQUIPMENT AND COMPONENTS, BETWEEN THE FEDERAL UNION, REPRESENTED HEREWITH BY THE GALEÃO AERONAUTICAL DEPOT, AND COMPANY [COMPANY NAME]

The Federal Government, through the **GALEÃO AERONAUTICAL DEPOT (PAMAGL)**, located at Rua Alfredo Rocha, 495-Ilha do Governador CEP 21,941-580-Rio de Janeiro, RJ, Brazil represented by Brig Eng. **JORGE LUIZ FERNANDES CERQUEIRA FERNANDES**, in the exercise of his legal attributions, as per Directive. 50, issued by the Air Force Ministry on January 29, 1953, and in accordance with Art. 61 Law Nº 8,666/93, henceforth referred to as the **CONTRACTING PARTY** and company [CONTRACTED PARTY NAME], located at [ADDRESS], ZIP CODE [ZIP CODE], [State], henceforth referred to as the **CONTRACTED PARTY**, represented by Mr. [LEGAL REPRESENTATIVE] bearer of ID Card N [NUMBER], and based on PAG 67102.181301/2018-95, as well as on the final outcome of Bid Nº. **181301/BACW/2018**, according to the principles of Brazilian Law Nº 8,666/93, Decree Nº 2,271/1997, Normative Instruction SLTI/MPOG Nº 2, 2008, and other related legislation, decide to stipulate this CONTRACT and execute this agreement, in according with the following terms and conditions:

-----DRAFT-----

1. DEFINITIONS

1.1. In order to facilitate comprehension of terminology and simplify the composition of the text, the following abbreviations and phrases were adopted, with the meanings provided beside them:

- 1.1.1. ANAC- National Civil Aviation Agency, Brazilian Aeronautical Authority.
- 1.1.2. BER- Beyond Economic Repair, i.e. economically inviable repair.
- 1.1.3. BACW- Brazilian Aeronautical Commission in Washington, DC; (CABW)
- 1.1.4. CELOG- Aeronautical Logistic Center;
- 1.1.5. COMAER- Aeronautical Command;
- 1.1.6. COMREC- Goods and Services Receipt Commission, comprised of at least three members who, through the Contracting Management Unit, which represents the Aeronautical Command before the CONTRACTED PARTY, are tasked with receiving the object, whether material or services, as per ICA 65- 8/2009 and ICA 12-23/2014;
- 1.1.7. CONTRACTED PARTY- Winning Bidder in the Bidding Process, after issue of ratification (“Homologation”) and Bid Award (“Adjudication”);
- 1.1.8. CONTRACTING PARTY- The Brazilian Federal Union-Aeronautical Command, represented by the Material Depot of Galeão (PAMAGL), the military organization under the Brazilian Air Force (FAB), subject to the Directorate of Aeronautical and Warfare Material (DIRMAB), which is responsible for logistic support to C-130 aircraft;
- 1.1.9. CONTRACT- The agreement which the Public Administration (CONTRACTING PARTY), acting in this capacity, signs with other Administrative Body (CONTRACTED PARTY), for the purpose of contracting the aeronautical services contemplated here under the conditions established by the Public Administration itself. Within the scope of this document, it is referred to the future contract to be signed between the CONTRACTING PARTY and the CONTRACTED PARTY;
- 1.1.10. CREA – Regional Engineering Council-Council responsible for checking and inspecting the exercise of the engineering profession and the activities related to it;
- 1.1.11. DIRMAB- Directorate of Aeronautical and Warfare Material;
- 1.1.12. DOU- Official Gazette;
- 1.1.13. EASA- European Aviation Safety Agency;
- 1.1.14. FAA – Federal Aviation Agency;
- 1.1.15. FAB- Brazilian Air Force;
- 1.1.16. FINDINGS – Non-conformities found during the inspection of an aircraft or equipment, requiring corrective measures which are not scheduled in routine inspection logs for said aircraft and equipment;
- 1.1.17. MONITOR – Administration Agent especially appointed as its representative to monitor and oversee Contract performance, whereby the sub-contracting of third parties is permitted to assist and provide information pertaining to its duties in the situations in which his technical knowledge is not sufficient to perform them;
- 1.1.18. MONITORING: Generic term for the activity exercised by the Administration Agent acting as Contract Monitor, or by a specifically and systematically appointed Commission, for the purpose of verifying compliance with contractual provisions and with complementary orders issued by the Administration regarding Contract Execution, in all its aspects, for the

-----DRAFT-----

purpose of identifying deviations and taking corrective measures, or- when outside of its sphere of competence, forwarding them to a higher-ranking authority;

1.1.19. CONFIDENTIAL INFORMATION- Any information and data, of a commercial or industrial nature, or pertaining to technical projects, for current enterprises or others under development by the parties, as well as any other data, texts, correspondence and information disclosed orally or visually, regardless of the means through which it is conveyed.

1.1.20. ICA- Aeronautical Command Normative;

1.1.21. IG – General Index- Evaluation of the most advantageous proposal to the Administration, in which all technical aspects (IT) and financial aspects (IP) are taken into consideration;

1.1.22. IP- Price Index- Evaluation Method for the Financial Aspects presented in each Bidder's Price Proposal. Price Index shall be weighted at 60%;

1.1.23. IT- Technical Index- Evaluation Method for the technical aspects presented in each Bidder's Technical Proposal. Technical Index shall be weighted at 40%;

1.1.24. INPP- Depot-Level Scheduled Inspection, equivalent to the Maintenance Plan PDM Inspection established by USAF;

1.1.25. INCOTERMS 2010- Set of international rules for the interpretation of the most commonly used trade terms in foreign trade, defining the start and end points of responsibilities between buyer and seller;

1.1.26. INVOICE or COMMERCIAL INVOICE- A document equivalent to a bill of sale or trade bill which, in foreign countries, it is supplied along with the material purchase or service provided, showing material specifications or service description, as well as their quantities, unit and total prices, in addition to the weights and other information deemed essential for SISCOMEX. It is considered the most important document for customs clearance by the importer because it contains all the elements concerning export operation;

1.1.27. MAFFS- Modular Airborne Fire-Fighting system

1.1.28. Brazilian Law N° 8.666: Law dated June 21, 1993, governing art. 37, Line XXI, of the Federal Constitution [of Brazil], establishes rules for the Public Administration's solicitations and contracts, and provides other guidelines. It establishes general rules or norms on administrative contracts and solicitations relating to projects, services, including advertising, purchases, divestments and rentals within the scope of the Powers of the Union, its States, Federal District and Municipalities;

1.1.29. BIDDER- Company submitting a proposal to the Bidding Process;

1.1.30. PAAI- Formal internal administrative process consisting in the log of all acts and inquiries into the administrative events, which are necessary to clarify and review judgments by the Competent Authority, allowing due process, and possibly culminating in the application of the administrative sanctions established by Law;

1.1.31. PAMAGL- Galeão Aeronautical Material Depot- CONTRACTING PARTY

1.1.32. PO- PURCHASE ORDER - It is a foreign Purchase Order, equivalent to a Funds Allocation Bill or proceeds allocation document in Brazil. It serves as a guarantee that there is sufficient funds to liquidate the commitment undertaken; it is the first step of a public budget expenditure;

-----DRAFT-----

POA

X

- 1.1.33. REVO- Aerial Fueling System;
- 1.1.34. SCRAP- Equipment or component deemed scrap, due to the technical impossibility of recovery, or to its economic inviability
- 1.1.35. CONTRACT CONCLUSION STATEMENT- Document prepared by the CONTRACT Inspector upon closing the contract due to its partial or full execution.
- 1.1.36. FINAL RECEIVING CERTIFICATE (TRD)- detailed document, issued by the a member of the Administration, individually or as part of a team, appointed by the competent authority, to document final acceptance of the Object of the Contract (goods or services), further to verification of compliance with all terms set forth in the bidding process and/or in documents executed by the Public Administration (contracts, partnerships, agreements, amendments, amendment terms, or other similar documents) with third-parties or agencies or entities of the Administration itself;
- 1.1.37. TEMPORARY RECEIVING CERTIFICATE (TRP)- detailed document, issued by a member of the Administration, individually or as part of a team, appointed by the competent authority, to document temporary acceptance of a contract step (or steps), after verifying good or service compliance with the specification set forth in the bidding process and any documents executed by the Public Administration (contracts, partnerships, agreements, amendments, amendment terms, or other similar documents) with third-parties or agencies or entities of the Administration itself;
- 1.1.38. TPT- Third Party Transfer-document for transfer of ownership to third parties.

2. CLAUSE- OBJECT

2.1. Maintenance of C-130 aircraft , for the provision of logistical support services for 12 (twelve) aircraft, excluding full T56A-15 engines, Aerial Fueling (REVO) and Modular Airborne Fire-fighting System (MAFFS), including the execution of maintenance services, the replacement of equipment, repair and replacement of equipment as per technical specifications and quantities set forth in BASIC PROJECT PLAN N° 001/SDFC/2018 BSC, Annex I.

2.2. For reasons pertaining to operation and contract execution, the Object of this CONTRACT shall be divided into modules.

2.2.1. **MODULE 1:** Performance of ISOCHRONAL maintenance services and correction of non-conformities associated with natural wear and tear (findings), provision of specialized labor and supply of all repairable, consumable and workable material for FAB C-130 aircraft, including inspection logs for complete engines and REVO, as per maintenance plan established by USAF (United States Air Force). The performance of this module shall be assessed based on the execution time of each ISOCHRONAL maintenance service, compared to the time established in the maintenance manuals on which the USAF's maintenance plan is based. POA

2.2.2. **MODULE 2:** Supply of mandatory and prospective spare parts, and replacement of equipment and components, classified as repairable or workable, as per USAF manuals for the maintenance of C-130 aircraft which may be necessary in scheduled pre-flight, inter-flight and post-flight maintenance and HSC, as well as unscheduled maintenance arising from normal wear and tear of the material, which will be performed by FAB's operational

-----DRAFT-----

teams, including the installation of full engines and REVO system on the aircraft, whereas specific material for the installation of full T56-15 engines, REVO and MAFFS system is excluded. The performance of this module shall be assessed based on the supply time of mandatory and prospective spare parts, as well as on Turnaround Time (TAT), compared to the time presented in the Price Proposal

2.2.3. MODULE 3: Performance of scheduled PDM services, as well as unscheduled maintenance, caused by events beyond FAB's control, such as lightning strike, hard landing and bird strike, including structural repairs, and the provision of specialized labor, as well as of all repairable, consumable and workable material for the Brazilian Air Force's C-130 aircraft, including inspection logs for full engines and REVO, as per USAF Maintenance Plan and Manuals. This module shall be executed upon demand (Time & Material – T&M), further to a formal request from the CONTRACTING PARTY, submission of a budget and payment of the specific invoice for the approved service, taking into account that performance shall be assessed based on execution time of each maintenance activity compared to time advised in USAF Manual, for PDM, and in the quote, in case of unscheduled maintenance.

2.2.4. MODULE 4: Supply of mandatory and prospective spare parts, and replacement of equipment and components, classified as repairable or workable, required per USAF Manuals for the maintenance of C-130 aircraft which may become necessary in scheduled pre-flight, inter-flight and post-flight maintenance and HSC, as well as in unscheduled maintenance, which may become necessary due to damages caused by incorrect or inadequate operation, performed by FAB teams and to be used by FAB's operational teams, to make the aircraft available, including the installation of full engines and REVO systems on the aircraft, whereas specific material for the installation of full T56-15 engines, REVO and MAFFS system is excluded. This Module shall be performed upon demand (Time & Material – T&M), further to a formal request from the CONTRACTING PARTY, submission of a quote and payment of the specific invoice for the approved supply, taking into account that performance shall be assessed based on supply time for mandatory and prospective spare parts, as well as on Turnaround Time (TAT), compared to the time advised in the estimate.

2.3. By choice and in the interest of pursuing the most advantageous proposal for the Administration, the CONTRACTING PARTY may provide the materials to be used in the services, in which case their value shall be deducted from the cost of services provided, and may not affect taxes, fees or any other costs charged over price of supplied materials.

2.4. For all intents and purposes, the following ANNEXES are an integral part of this CONTRACT, regardless of whether they exist or not, they are noted below:

- ANNEX A- BASIC PROJECT PLAN;
- ANNEX B- CONTRACTED PARTY'S PRICE PROPOSAL; and
- ANNEX C- PAYMENT AND DELIVERY SCHEDULE.
- ANNEX D – CONTRACT COPY IN PORTUGUESE

2.5. The performance regime for the services contemplated by this CONTRACT must fall under the indirect execution, and under a **unit price** type, as the demand for different modules may arise at different times, and in different amounts, as per ANNEX A- BASIC PROJECT PLAN.

-----DRAFT-----

3. CLAUSE-CONTRACT EXECUTION

3.1. The CONTRACT must be performed through indirect execution and based on the **unit price**.

4. CLAUSE – LANGUAGE

4.1. It is hereby agreed between the parties that the language for this CONTRACT, for the purposes of its records, correspondence, and any other matter, shall be **English**, with a translation **into Portuguese**, which shall form an integral part of the Contract, as per **ANNEX D** replicating the same content and featuring the same signatures from both parties and witnesses.

5. CLAUSE- CONDITIONS FOR THE PROVISION OF SERVICES

5.1. The services must be performed by the CONTRACTED PARTY as described in this document and the BASIC PROJECT PLAN.

5.2. The CONTRACTED PARTY must maintain all required qualification conditions throughout the Bidding process and throughout the validity of this CONTRACT.

6. CLAUSE- OBLIGATIONS

6.1. In addition to the provisions in the BASIC PROJECT PLAN, the CONTRACTED PARTY commits to the following:

6.1.1. It is emphasized that the CONTRACTED PARTY is subject to the obligations below as per item 16.2 of the Basic Project Plan, ANNEX A.

6.1.2. Perform all services in accordance with the specifications provided in the BASIC PROJECT and on its proposal, with the resources necessary to the fulfillment of the instructions provided in the INVITATION FOR BID;

6.1.3. Strictly comply with all specifications and instructions contained in the INVITATION FOR BID;

6.1.4. Take full responsibility for the supply of contracted materials and services;

6.1.5. Ensure the supply of all materials and/or equipment necessary for the fulfillment of contractual obligations;

6.1.6. Take full responsibility for the selection, qualification, transportation, meals, accommodation, employment contracts and termination of contracts for its employees, as well as for the CONTRACTED PARTY's judicial standing before labor authorities, transportation authorities and insurance. The CONTRACTED PARTY'S failure to fulfill the obligations established in this CONTRACT does not make the CONTRACTING PARTY responsible for any payments;

6.1.7. Accept liability, furthermore, for damages caused to the CONTRACTING PARTY, through the services provided by the CONTRACTED PARTY'S employees or appointed agents;

6.1.8. Provide all clarification requested by the CONTRACTING PARTY, immediately investigating any complaints;

-----DRAFT-----

- 6.1.9.** Replace, at no cost to the CONTRACTING PARTY, all equipment or material supplied in a damaged state in any way or due to damages caused by improper handling by the CONTRACTED PARTY's employees, or that might have been rejected in inspection tests;
- 6.1.10.** Transport, handle and warehouse, with adequate care, avoiding shocks, impact or breakage, all material used during the service, specifically taking care of material prone to damage due to heat, light and humidity, and which must be stored in an adequate environment for its protection, up until time of use;
- 6.1.11.** Accept full civil responsibility for any and all material damages and losses caused by action or omission of the CONTRACTED PARTY'S contracted employees, workers, agents or representatives, whether intentionally or not, before the Aeronautical Command or third parties;
- 6.1.12.** Employ skilled workers, with basic knowledge of the services to be performed in conformity with current rules and regulations;
- 6.1.13.** Take responsibility for all labor, social and tax contributions, as well as for any other direct and indirect obligations set forth in specific legislation. Non-compliance with any of these obligations does not imply their transfer to the CONTRACTING PARTY;
- 6.1.14.** Train its employees regarding the importance of following the directives provided by the CONTRACTING PARTY, including as regards norms and regulations established by the OM [military organization], if applicable;
- 6.1.15.** Maintain, throughout CONTRACT duration, consistency with obligations undertaken and all qualification conditions required during the Bid;
- 6.1.16.** Not transfer to third parties, in any form, not even in part, any responsibilities undertaken;
- 6.1.17.** Accept responsibility for any costs associated with possible quantitative and calculation errors on its Proposals, including variable costs associated with future and uncertain events, accepting responsibility to cover items initially included on its Proposals, which turned out to be insufficient to perform the object of this bidding process;
- 6.1.18.** The CONTRACTED PARTY shall be responsible for providing all services, which must comply with the CONTRACT and the BASIC PROJECT PLAN;
- 6.1.19.** Not perform any extra services before providing an estimate cost, which must be officially approved by the CONTRACTING PARTY;
- 6.1.20.** Appoint a responsible manager to globally administer activities, services, inspecting the CONTRACT and interacting with the MONITORING team;
- 6.1.21.** Fulfill all CONTRACT timelines;
- 6.1.22.** Fulfill all requirements by the CONTRACTING PARTY, especially those pertaining to timeframes, performance and the completion of contracted services, as well as the requirements related to priority services, emergency services and services with special timeframes;
- 6.1.23.** Observe Military Organizations office hours, as convenient for them, or based on any requested change, communicating/requesting changes to office hours from the MONITORING team with at least 24 (twenty-four) hours' notice;
- 6.1.24.** Accept responsibility for any complaints, and financial onus arising from any judicial processes, or damages directly or indirectly caused by the CONTRACTED PARTY, which

ROA

Handwritten signature

-----DRAFT-----

may be claimed against the CONTRACTING PARTY by third parties;

6.1.25. Use adequate equipment and hardware, to enable correct service execution, using safe and efficient work methods;

6.1.26. The CONTRACTED PARTY is forbidden from disclosing to third parties any information on the nature or progress of material delivery contemplated by this CONTRACT, as well as notifying the written or spoken press, including television and/or any other means of public disclosure, except with explicit consent from the CONTRACTING PARTY.

6.2. The CONTRACTING PARTY, with assistance from the MONITORING team, duly appointed to this end, shall be obligated to:

6.2.1. It is emphasized that the CONTRACTING PARTY is subject to the obligations described below in accordance with item 16.1 of the Basic Project Plan, ANNEX A.

6.2.2. Appoint a RECEIPT COMMISSION (COMREC), via internal document, for the quantitative and qualitative receipt of the Object of the CONTRACT;

6.2.3. Provide all conditions to enable the CONTRACTED PARTY to perform the services, in accordance with the provisions of the CONTRACT, INVITATION FOR BID and their ANNEXs, specifically the BASIC PROJECT PLAN;

6.2.4. Demand the fulfillment of all obligations undertaken by the CONTRACTED PARTY in accordance with the provisions set forth in the BASIC PROJECT PLAN, in the CONTRACT, and in the terms and conditions of its proposals;

6.2.5. Exercise oversight over all Administration agents specifically appointed to this task, who may record any flaws encountered;

6.2.6. Notify the CONTRACTED PARTY in writing of any irregularities in the performance of the services, establishing a timeframe for their correction as per ICA 12-23;

6.2.7. Pay the CONTRACTED PARTY the amount owed for the services provided, as established in the CONTRACT through the receipt and acceptance of an invoice; and

6.2.8. Certify that, throughout CONTRACT execution, all eligibility and qualification requirements set forth in the bid shall be maintained, in accordance with the obligations undertaken by the CONTRACTED PARTY.

7. CLAUSE- DESCRIPTION OF SERVICES

7.1. The CONTRACT must be performed by the CONTRACTED PARTY in accordance with this CONTRACT and the BASIC PROJECT PLAN.

8. CLAUSE- CONTRACT AMOUNT

8.1. The maximum total Contract amount is **US\$ [VALUE] (AMOUNT)**, after initial allocation of US\$ [VALOR] (VALOR), through Allocation Bill N° [NUMBER], with remaining US\$ [AMOUNT] making up the difference (AMOUNT) of the above Allocation Bill.

ROA

X

-----DRAFT-----

- 8.1.1. **MODULE 1:** Maximum amount is **US\$ [VALUE] (AMOUNT)**.
- 8.1.2. **MODULE 2:** Maximum amount is **US\$ [VALUE] (AMOUNT)**.
- 8.1.3. **MODULE 3:** Maximum amount is **US\$ [VALUE] (AMOUNT)**.
- 8.1.4. **MODULE 4:** Maximum amount is **US\$ [VALUE] (AMOUNT)**.

8.2. The contracted amount includes all expenses associated with direct or indirect execution of services, including but not limited to: all costs such as taxes and/or fees, in accordance with the BASIC PROJECT PLAN, social contributions, expenses, insurance, workers compensation, labor, social security contributions, fiscal, administrative tax, equipment, materials and any other fees associated with the Execution of the Contract Object.

9. CLAUSE- BUDGET ALLOCATION

9.1. Expenses associated with the Contract shall be borne in accordance with the following budget classification: **Program 0621** – Air Force Preparation and Employment; **Action 2048** – Supply and Maintenance of Aeronautical Material; Expense Nature (ND) 339030 (material) and ND 339039 (services); or other budget resource available to Project C-130

9.2. The information provided in this item is required by the Brazilian Government, for a merely informative purpose.

10. CLAUSE- SUBCONTRACTING

10.1. The maximum limit for subcontracting the execution of this object is 50% (fifty percent), calculated based on the Contract amount, in accordance with item 13 of the Basic Project Plan, ANNEX A.

10.2. Subcontracting must be authorized by the CONTRACTING PARTY'S EXPENSES SUPERVISOR, through a technical opinion issued by the MONITORING department, alongside specification of activities to be subcontracted and the timeframe in which they will be performed.

10.3. Subcontracted companies must possess all technical qualification requirements set forth in the BASIC PROJECT PLAN, ANNEX A, based on activity to be performed.

10.4. The CONTRACTED PARTY shall be legally and contractually responsible before the CONTRACTING PARTY for the subcontracted services. Any communication and/or clarification shall take place directly between the CONTRACTING PARTY and the CONTRACTED PARTY. Communication and/or clarification with/from subcontracted companies shall be the CONTRACTED PARTY's sole responsibility.

10.5. The CONTRACTED PARTY shall be legally and contractually responsible before the CONTRACTING PARTY for the subcontracted services. Subcontracting is the CONTRACTED PARTY's full and joint responsibility, answering in full for its guarantees, not just as regards the services and timeframes, but also insurance coverage against any claims, in case of breakdowns or damages associated with the services performed by the subcontracted company.

10.6. Subcontracting is restricted to the maintenance services provided for components and equipment used on FAB aircraft, except for full T56A-15 engines, and for REVO and MAFFS systems.

10.7. The provision of aircraft maintenance services, as established by Modules 1 and 3 may not be subcontracted and must be performed in full by the CONTRACTED PARTY.

-----DRAFT-----

10.8. Should subcontracting become necessary, as per Ar. 72 of Law 8.666 of 1993, the following recommendations must be followed:

10.8.1. The CONTRACTED PARTY shall bear the risks and onus associated with the subcontracting, including but not limited to the Quality Guarantee provided for the service performed.

10.8.2. The CONTRACTED PARTY must provide the CONTRACTING PARTY, through the CONTRACT MONITOR, with all information required of it on the service, as well as of the subcontracted parties.

10.8.3. The CONTRACTED PARTY shall not be exempt from its contractual responsibilities or obligations when, as a consequence of any type of renegotiation with the subcontracted companies, it becomes unable to fulfill any of the obligations set forth in the contract.

11. CLAUSE- TERMS

11.1. Validity Term

11.1.1. This Contract's validity term shall be **60 (sixty) months** starting on signature date

11.1.2. Under exceptional circumstances, with proper justification and approval by a higher-ranking authority, the validity term may be extended by 12 months, as per §4° of Art. 57 of Law Nº 8,666/93.

11.2. Execution Time

11.2.1. The Contract's execution time shall be **58 (fifty-eight) months**, starting on the issue of the respective Service Order, i.e. the document signed by the CONTRACTING PARTY's legal representative, authorizing the commencement of service performance.

11.2.2. The issuance of a Service Order is subject to the submission of a financial guarantee for Contract Execution.

11.3. Receipt Timeframe

11.3.1. Temporary acceptance, which shall be formally entered into a TEMPORARY RECEIVING CERTIFICATE, falls to the Contract's COMREC, as soon as it receives part of the OBJECT.

11.3.2. After temporary acceptance, the CONTRACTING PARTY shall start the final acceptance of services by performing an inspection, within 10 (ten) days, for the purpose of evaluating physical condition, quality certificates and maintenance logs for FAB aircraft or for the spare parts, equipment and components used in the layout of FAB aircraft.

11.3.3. Non-conformities encountered by the CONTRACTING PARTY during final acceptance procedures must be notified to the CONTRACTED PARTY within 10 (ten) days of the final acceptance deadline and must be resolved by the CONTRACTED PARTY in an equal amount of time, further to notification. Should a grave DISCREPANCY be encountered, this timeframe may be extended, provided it is duly justified in writing

11.3.4. The inspection of the services rendered on an aircraft shall be completed at the location in which the CONTRACTED PARTY performs the service, and the inspection of spare parts, equipment and components used in FAB aircraft, except for full T56A-15

-----DRAFT-----

engines, REVO and MAFFS systems shall be performed at final destination, i.e. at ALA 11, Rio de Janeiro – Brazil.

11.3.5. Final receipt will be formally recorded in a FINAL RECEIVING CERTIFICATE, to be issued within 10 (ten) days of inspection date.

11.3.6. The timeframe for receiving the object shall be in accordance with the procedural standard set forth in ICA 65-8 ICA 12-23.

11.4. Payment Processing Time

11.4.1. The payment period will be up to 30 (thirty) calendar days from the date on which the ACCEPTANCE CERTIFICATE is submitted, and shall occur in accordance with item 12.3 of the Basic Project Plan, ANNEX A.

11.4.2. The timeframe for receiving the object shall be in accordance with the procedural standard set forth in ICA 65-8 ICA 12-23.

12. CLAUSE- FINANCIAL GUARANTEE

12.1. A financial guarantee shall be required of the CONTRACTED PARTY, in the amount of **5% (five percent)** of total Contract Value, within 10 (ten) days of CONTRACT signature, to enable signing the SERVICE ORDER. The CONTRACTED PARTY shall provide a financial guarantee in US dollars (USD).

12.2. Any guarantee which fails to cover all possible risks and damages associated with Contract Execution shall not be accepted.

12.3. The financial guarantee shall be valid throughout Contract duration.

12.4. If the guarantee amount is used, in full or in part, the CONTRACTED PARTY must replenish the respective amount within 5 (five) business days from receipt of notification.

12.5. After CONTRACT conclusion, further to issue of the last Final Acceptance Certificate, and verification that all CONTRACTED PARTY obligations have been fulfilled completely, the guarantee shall be released and returned.

12.6. All costs associated with the financial guarantee shall be borne by the CONTRACTED PARTY .

12.7. If the Contract is amended, the financial guarantee must be extended to reflect CONTRACT expiration date

13. CLAUSE- TECHNICAL GUARANTEE

13.1. The technical guarantee will abide by the provisions in item 10 of the Basic project, ANNEX I to the INVITATION FOR BID.

14. CLAUSE- PERFORMANCE LOCATION

14.1. O The location for the provision of services is described in item 9 of the Basic Project Plan, ANNEX A.

-----DRAFT -----

15. CLAUSE- CHANGES TO THE CONTRACT

15.1. The CONTRACT may be altered unilaterally by the CONTRACTING PARTY in the following situations:

15.1.1. If the project or its specifications should change, to better suit its objectives from a technical standpoint.

15.1.2. Should the Contract Amount require modification due to the quantitative increase or decrease of its Object.

15.1.3. The CONTRACTED PARTY is bound to accept, at the same terms and conditions, all changes involving an increase or decrease in services of up to 25% of updated original Contract amount.

15.1.3.1.1. Quantitative decreases exceeding twenty-five (25%) of the Contract amount may only be executed when both parts are in agreement.

15.2. The CONTRACT may be amended by agreement between the parties in the following situations:

15.2.1. If it is necessary to modify the execution regime for the good or service, or the means of supply, after verifying the original contractual terms are;

15.2.2. If it becomes necessary to alter form of payment, due to unforeseen circumstances, maintaining the original updated amount, excluding advance payment, as regards the fixed payment and delivery schedule, without the respective consideration for the provision of goods or execution of services;

15.2.3. In order to reestablish the relation initially agreed upon by the parties between contractual obligations and payment from the Administration as just compensation for the service, for the purpose of maintaining the Contract's initial economic and financial equilibrium, should unforeseen events occur, or foreseeable events of unforeseeable consequences, which delay or obstruct performance of the adjusted contract, or in case of force majeure, fortuitous event or factum principis, constituting extraordinary and extracontractual economic risk.

16. CLAUSE – SUBJECTIVE MODIFICATION

16.1. The CONTRACTED PARTY's merger, split or incorporation with another legal entity is admissible, provided that the new legal entity complies with all the qualification requirements set forth in this INVITATION FOR BID, that the remaining contractual clauses are fulfilled, and the execution of the contractual object is not compromised, and that the Administration provides its explicit approval for continuation of the Contract.

17. CLAUSE- PRICE ADJUSTMENT

17.1. In accordance with Art. 65, of 1993 Law 8666, the Contract may only be amended to reestablish the relation the parties initially agreed upon between the Parties obligations and their compensation by the Administration for a fair payment of the work, service or supply, thus maintaining the economic and financial equilibrium of the Contract; should unforeseen facts occur or foreseeable facts of unforeseeable consequences or in case of force majeure,

-----DRAFT-----

fortuitous events or factum principis, constituting extraordinary and extracontractual economic risk.

17.2. The economic and financial equilibrium shall be based on the CONTRACTED PARTY's formal proposal, and it shall be considered only after 12 months have lapsed from the time of Contract Signature.

17.3. The physical-financial equilibrium shall be preceded by a request from the CONTRACTED PARTY, supported by a table with an analytical breakdown of the Contract's cost components, showing the formation of the current price as well the price presented in proposal.

17.4. The inclusion of advantages which were not featured in the initial proposal is forbidden, except when they have become mandatory due to a legal agreement, normative sentence, collective agreement or collective convention.

17.5. A request to reestablish the economic and financial equilibrium shall only be taken into account through negotiation between the parties, considering:

17.5.1. The occurrence of an unforeseeable fact, or foreseeable fact of unforeseeable consequences, which delays or prevents the execution of the agreement and its adequate characterization;

17.5.2. The occurrence of a Force Majeure event, fortuitous event or factum principis, constituting extraordinary and extracontractual economic risk, and its adequate characterization;

17.5.3. Proof of imbalance, through a request by the Contracted Party with two price formation tables, one for the initial Price Proposal and one for the New Price Proposal;

17.5.4. The economic exam of the table through verification of the arithmetic calculation which led to the new price;

17.5.5. The relevant preparation of calculation logs;

17.5.6. Analysis of the new recalibrated price compared with market prices;

17.5.7. The existence of a budget allocation to cover a possible Price change

17.6. A decision on the request must be finalized within a maximum timeframe of 60 (sixty) days, starting on the date of delivery of proof of cost variation.

17.7. In case of economic and financial equilibrium an amendment to the current Contract shall be drawn up.

17.8. The timeframe referenced in the previous paragraph shall be suspended until the CONTRACTED PARTY fulfills its obligations or provides the documentation requested by the CONTRACTING PARTY to prove imbalance.

17.9. The CONTRACTING PARTY can make diligences to verify the imbalance alleged by the CONTRACTED PARTY.

17.10. The submission of a proposal of economic and financial equilibrium by the CONTRACTED PARTY does not imply acceptance by the CONTRACTING PARTY.

17.11. Should the CONTRACTED PARTY not submit other adequately adjusted indices, the maximum adjustment amount shall be equivalent to CPI variation (Customer Price Index, issued by the Bureau of Labor Statistics – BLS) from the US Department of Labor.

-----DRAFT-----

18. CLAUSE- PAYMENT

18.1. Payment term shall be 30 (thirty) days starting on date of delivery of RECEIVING CERTIFICATE, with the Invoice, as per procedural standard established in ICA 65-8.

18.2. An invoice shall be issued by the CONTRACTED PARTY in accordance with the following procedures:

18.2.1. "Approval" of the invoice is conditional upon the fulfillment of services described in the invoice presented by the CONTRACTED PARTY; and

18.2.2. In case of failure to present necessary documents, or of a situation which prevents invoice payment, payment shall remain suspended until the CONTRACTED PARTY takes applicable measures to resolve all pending issues. In this case, the payment term shall take effect after pending issues are resolved by the CONTRACTED PARTY, without any cost to the CONTRACTING PARTY.

18.3. The payment date shall be the date on which the wire transfer is processed by the CONTRACTING PARTY'S bank. The CONTRACTING PARTY shall not be responsible for any fees charged by the CONTRACTED PARTY'S financial institution.

18.4. The CONTRACTING PARTY shall not be responsible for any expenses incurred by the CONTRACTED PARTY which have not been stipulated in the CONTRACT.

18.5. Should the CONTRACTED PARTY wish to receive payment in another currency than US Dollars, it shall cover any currency exchange costs or other bank fees which may apply.

18.5.1. Payments made in Brazilian currency shall be made at the Exchange rate in effect on the business day immediately preceding actual payment date.

18.6. Payment method entailing the use of items no longer used by FAB is described in item 12.3 of the Basic Project Plan, ANNEX A.

19. CLAUSE- MONITORING

19.1. The MONITORING must be performed by members of the Administration, specifically appointed by the Administration, in accordance with Law N° 8.666 / 1993, ICA n° 65-8 / 2009, and ICA n° 12-23 / 2014, in order to monitor and oversee the CONTRACT to be performed.

19.2. MONITORING must comply with the provisions of this Notice and Item 15 of the Basic Project Plan.

20. CLAUSE – RECEIPT OF OBJECT

20.1. The services contemplated by this NOTICE must be received by COMREC in accordance with the provisions of the BASIC PROJECT PLAN, ANNEX A.

20.1.1. All proposals, questions, discrepancies and difficulties encountered during CONTRACT execution, requiring evaluation, must be submitted to the MONITORING team, for assessment by the CONTRACTING PARTY'S EXPENSES SUPERVISOR.

21. CLAUSE – FORCE MAJEURE AND UNFORSEEABLE EVENTS

21.1. Unforeseeable or Force Majeure events must be notified in writing the CONTRACTING PARTY'S EXPENSES SUPERVISOR, through the MONITORING team, so that it may decide the

-----DRAFT-----

appropriate course of action, provided it has been proven that such events affected the services/materials provided in accordance with the Object of this CONTRACT.

21.2. For the purpose of this CONTRACT, events shall be considered unforeseeable or Force Majeure, if they fit the legal definition provided in the single paragraph of Art. 393 of the Brazilian Civil Code, in accordance with Line II, §1º, Art. 57 of Law Nº 8.666/93.

22. CLAUSE- ADMINISTRATIVE SANCTIONS AND PENALTIES

22.1. The application of administrative sanctions must take into account the gravity of the failure, its recurrence, the damage caused to Public Interest and the loss caused to the Administration.

22.2. Failure to fulfill the CONTRACT in full or in part, or any breach of the obligations set forth in the CONTRACT, shall subject the CONTRACTED PARTY to the following penalties, without exclusion of other civil and criminal penalties, and to any and all damages and resources available to the contract by the CONTRACTING PARTY, in the terms of the CONTRACT or applicable legislation, ensuring due legal process:

22.2.1. A WARNING is the administrative sanction which shall be applied when the CONTRACTED PARTY should breach, for the first time, the obligations associated with contractual timelines, or for the submission of an invoice with a mistake or in case of non-compliance of guidelines received from the Inspection team within 48 (forty-eight) hours starting from the time of notification from the MONITORING team. In order to issue this Warning, a PAAI must be generated.

22.2.2. A WARNING shall not be issued in cases of recurring faults in the same category of breach of contractual obligations.

22.2.3. The FINES referenced in Line II, of art. 87 (such as, for example, due to total or partial failure to execute the Contract) of Law nº 8.666/93, may be defined and applied:

22.2.3.1. For total or partial non-execution of Contract:

22.2.3.1.1. A fine may be applied for partial non-execution in the adjustment amount of 0.2% (two tenths of a percentage point), of the CONTRACT amount, if the CONTRACTED PARTY fails to comply with any amended condition of the CONTRACT; and

22.2.3.1.2. If the CONTRACTED PARTY should cause termination, a fine will be applied for total non-execution of agreement in the amount of 10% (ten percent) of updated total CONTRACT value, without excluding a delinquency fine and any other sanctions set forth in Art. 87 of Law Nº 8.666/93.

22.3. After ensuring the Contracted Party's right to defense, within a period of 5 (five) business days, a fine for total or partial non-execution of the CONTRACT may be applied, in addition to the administrative sanctions set forth in Lines I, III and IV, of art. 87, of Law Nº 8.666/93.

22.4. The CONTRACTING PARTY must inform the CONTRACTED PARTY of the amount to be collected, after exhausting all administrative appeals, and the right to ample defense; the CONTRACTING PARTY shall deduct the amount from balances to be paid from executed services.

-----DRAFT-----

22.4.1. If payment is not fulfilled in the above manner, the fines owed will be deducted, activating the CONTRACT'S financial guarantee.

22.5. After the actions described in the previous items, should money still be owed for the payment of the fine, the CONTRACTING PARTY'S Expenses Supervisor (Chief or Deputy), if applicable, shall submit the process to the National Treasury General Attorney's Office (PGFN), for analysis for the purpose of entering the sanctioned company in the Federal Unpaid Debt List [‘Dívida Ativa da União’-DAU] and/or allow judicial process, based on the amount owed.

22.6. The application of a fine does not exempt the CONTRACTED PARTY from compensation for damages, losses and injuries it may cause the Administration through its punishable act, which also does not exclude the possibility other administrative penalties may be applied.

22.7. The application of the above fines are subjected to appeal period of 5 (five) business days.

22.8. Temporary suspension from participating in BIDDING PROCESS and impediment from entering into a Contract with the Administration shall be applied, within the COMAER, to the following degrees:

22.8.1. For up to 30 (thirty) days:

22.8.1.1. Non-compliance with timeframe established for corrective measures, as of application of warning sanction; and

22.8.1.2. For the disruption of any action in the open sessions of the BIDDING PROCESS.

22.8.2. For up to 3 (three) months:

22.8.2.1. Withdrawal of proposal, in the absence of a reason associated with an unforeseen event;

22.8.2.2. Claim that the prices offered are inviable;

22.8.2.3. Submission of an appeal as an obvious delaying tactic.

22.8.3. For up to 6 (six) months:

22.8.3.1. Refusal by the winning bidder, summoned within the valid timeframe of its proposal, to sign or accept the contract, or withdrawal of equivalent instrument;

22.8.3.2. Failure to submit a Contract financial guarantee, as per the INVITATION FOR BID;

22.8.3.3. Repeated occurrence of a punishable act as established in sub-items 22.8.1 and 22.8.2 of this item, in under 24 (twenty-four) months;

22.8.3.4. Application of a second administrative sanction fee within the same Contract;

22.8.3.5. Application of two administrative sanction warnings and one fine, within the COMAER, within 12 (twelve) months, and failure by the supplier to undertake the necessary corrective measures in the timeframe prescribed by the Administration; and

22.8.3.6. Application of two administrative sanction fine within the COMAER in 12 (twelve) months, and failure by the supplier to take the necessary corrective measures in the timeframe prescribed by the Administration;

22.8.4. For up to 12 (twelve) months:

22.8.4.1. If the CONTRACTED PARTY delays the execution of service without a reason, resulting in contractual termination;

-----DRAFT-----

22.8.4.2. If the CONTRACTED PARTY does not pay/extinguish the fine in the established timeframe, in situations in which it is not possible to deduct its amount from the guarantee or the credits associated with the completed installments; and

22.8.4.3. In case of repeated punishable defaults per description provided in sub-paragraph '22.8.3', in less than 36 (thirty-six) months;

22.8.5. For up to 24 (twenty-four) months:

22.8.5.1. In case of unlawful act, for the purpose of interfering with the Bid Objectives, such as forming a cartel;

22.8.5.2. Submission of 'fraudulent', 'adulterated', 'false' or 'falsified' documents;

22.8.5.3. Issue of a 'false statement';

22.8.5.4. Final sentence of felonious tax fraud in the collection of taxes associated with the contract;

22.8.5.5. Suspension of service without just cause and without notifying the Administration in advance;

22.8.5.6. Delivery of 'falsified' or 'adulterated' supplies, using artifice to deceive the Administration;

22.8.5.7. Repeated non-execution of Contract resulting in grave damages to the Administration; and

22.8.5.8. Repeated occurrence of punishable default as defined in sub-paragraph 22.8.4. in under 48 (forty-eight) months.

22.9. For the purposes of this Bid, as regards the application of an administrative sanction for the temporary suspension from solicitations and debarment from entering into contracts with the Administration, the term 'Administration' should be interpreted as COMAER.

22.10. Non-execution of the CONTRACT is defined as failure to complete the provision of services in accordance with the technical specifications provided in this INVITATION FOR BID.

22.11. Inadequate behavior is defined as the intentional attempt to deceive or corrupt the Administration, or any of its agents, for the purpose of obtaining illicit advantages.

22.12. The PAAI pertaining to the Declaration of Unfitness shall be sent to the Defense Ministry, per the appropriate chain of command, after issue of opinion by COJAER, given the State Minister's exclusive competence in applying sanctions. The sanction may be applied in any of the following ways:

22.12.1. If the company has received a final sentence due to the practice of fiscal fraud with felonious intent in collection of any taxes.;

22.12.2. If the company or professional committed an unlawful act, for the purpose of interfering with the bidding process's objectives;

22.12.3. If the Administration should verify that the company or professional is not, in fact, fit to enter into a Contract due to unlawful committed by it; or

22.12.4. If the Brazilian Audit Court ['Tribunal de Contas da União'] has verified the proven existence of fraud in the bidding process.

22.13. The criteria for issuing a Declaration of Unfitness, which may not exceed 5 (five) years per current legislation, shall be submitted to COJAER, for further submission to the Defense Secretary. Rehabilitation further to this sanction may be claimed by the interested party 2 (two) years after its application.

-----DRAFT-----

22.14. In issuing a Declaration of Unfitness, the suggested sanction shall be indicated, for inclusion -in the respective PAAI, for the purpose of rehabilitating the supplier- of the amount to be reimbursed, legal surcharges and other applicable obligations.

23. CLAUSE- LINKAGE

23.1. This CONTRACT is bound to the INVITATION FOR BID N°181301/CABW/2018, to the CONTRACTED PARTY's Price Proposal, submitted by [COMPANY NAME] to the BACW.

24. CLAUSE – TERMINATION

24.1. In accordance with the dispositions of Article 78 of Law N° 8.666 / 93 (Brazil), the following are sufficient reasons to terminate the Contract;

24.1.1. Not performing of contract clauses, specifications, projects and timeframes

24.1.2. Irregular fulfillment of contract clauses, specifications, projects and timeframes;

24.1.3. Slowness in execution, leading the CONTRACTING PARTY to prove it is inviable to complete services within the established timeframes;

24.1.4. Unjustified delay in starting the service;

24.1.5. Interruption in the service, without just cause, and without advance warning to the CONTRACTING PARTY;

24.1.6. Total or partial subcontracting of the object, the CONTRACTED PARTY's partnership with other companies, total or partial transfer, such as a merger, split or incorporation, in forms not allowed by the INVITATION FOR BID and this CONTRACT;

24.1.7. Non-compliance with the orders issued by the authority appointed to oversee and inspect the performance of services, or of higher-ranking authorities;

24.1.8. Repeated errors in execution, recorded as prescribed by §1° of Art. 67, Law N° Lei 8.666/93;

24.1.9. Filing for bankruptcy or enactment of civil insolvency;

24.1.10. Dissolution of the company or death of the contracted individual;

24.1.11. Corporate change or modification of the CONTRACTED PARTY's purpose or structure, in a manner which compromises CONTRACT performance;

24.1.12. Public interest reasons (Brazil), of great importance, and widely known, justified and ordered by a higher-ranking executive authority with jurisdiction over the CONTRACTING PARTY, based on an administrative proceeding established in the CONTRACT;

24.1.13. Suspension of services, based on written order from the CONTRACTING PARTY, for a period of over 120 (one hundred and twenty) days, except in cases of natural disaster, civil unrest or war, or repeated suspensions adding up to the same length of time. In addition to the payment required as indemnification to the CONTRACTED PARTY, The CONTRACTED PARTY is also entitled to suspend the fulfillment of its obligations until normalcy is restored;

24.1.14. A delay greater than 90 (ninety) days in the payments owed by the CONTRACTING PARTY, for completed and accepted services, deliveries and work, except in case of disasters, domestic disorder or wars. The CONTRACTED PARTY shall be

-----DRAFT -----

ROA
X

entitled to suspend the fulfillment of its obligations until normalcy is restored;

24.1.15. Failure by the CONTRACTING PARTY to make available the facilities or object for the performance of services within the established deadlines;

24.1.16. Unforeseeable or Force Majeure events, preventing Contract Execution, a fact which shall be deemed proved; and

24.1.17. Non-compliance with line V, Art. 27 of Law N° 8.666/ 93, without excluding applicable criminal sanctions.

24.2. The termination shall be formally recorded in accordance with the law, ensuring the right to due legal process and ample defense;

24.3. The termination of this CONTRACT may be:

24.3.1. Unilaterally decided (if justified) by the CONTRACTING PARTY in the events listed in items 24.1.1 through 24.1.12 e 24.1.16 of this Clause;

24.3.2. The termination of the Contract may also occur due to suspension of services by the Administration, resulting in adjustments to the initial CONTRACT amount of up to 25% (twenty-five percent), through no fault of the CONTRACTED PARTY'S;

24.3.3. It may be amicable, further to agreement between the parties, recorded in an amendment to the CONTRACT, provided this is in the CONTRACTING PARTY'S interest; and

24.3.4. Judicially, in accordance with applicable legislation.

24.4. The CONTRACTED PARTY shall be compensated for the damages incurred, provided it is able to prove them, as a result of contract termination, based on items 24.1.12, 24.1.13, 24.1.14, 24.1.15 and 24.1.16 in accordance with this Clause, being entitled to:

24.4.1. The release of its financial guarantee;

24.4.2. Payments owed for CONTRACT execution up until date of termination; and

24.4.3. Payment for demobilization costs.

24.5. Administrative or amicable terminations must be preceded by a written authorization, with adequate justification by the competent authority.

Termination of the CONTRACT due to non-fulfillment of Contract Clauses shall result in use of the financial guarantee to compensate the CONTRACTING PARTY for the fines established in Clause 22 and for any indemnification due. Any credits associated with the CONTRACT shall be retained up to the limit of the damages caused to the CONTRACTING PARTY, in addition to the sanctions established in this CONTRACT.

24.6. The Contract Termination Document must include

24.6.1. Evaluation of contractual services rendered in full;

24.6.2. List of completed and pending payments; and

24.6.3. Indemnifications and Fines.

25. CLAUSE- CHOICE OF LAW

25.1. This CONTRACT shall be processed and interpreted in accordance with the principles of Law N°8.666/93, and shall be governed and executed in accordance with the laws of the District of Columbia, including the Uniform Commercial Code, as adopted in the District of Columbia, without regard to any choice of law or conflict of laws

-----DRAFT-----

doctrines that might otherwise be applied. The UN Convention on Contracts for the International Sale of Goods shall have no application to this CONTRACT.

25.2. The parties agree to make a diligent, good faith attempt to amicably resolve any conflicts before either party initiate litigation in the terms of this Clause (Contract Termination Clause) of this CONTRACT.

25.3. Any controversy or complaint related to this Contract, such as a Contract violation, must be submitted to the Superior Court or to the United States District Court for the District of Columbia, to the jurisdiction to which the parties irrevocably submit.

26. CLAUSE- NOTIFICATIONS AND CORRESPONDENCE

26.1. All correspondence, reports and notifications arising from the execution of this CONTRACT shall be made in writing and shall only be considered to be received by the CONTRACTING PARTY and the CONTRACTED PARTY, and must be delivered to the addresses indicated below by one party to the other party or from any other addresses that may be communicated by the PARTIES, throughout the validity of this CONTRACT.

CONTRATO Nº **[NÚM]/PAMAGL/2018**

SUPOORTE LOGÍSTICO DE 12 AERONAVES C-130, EXCLUÍDOS OS SEUS MOTORES T56A-15 COMPLETOS, OS SISTEMAS DE REABASTECIMENTO EM VOO (REVO) E SISTEMA MODULAR EMBARCADO DE COMBATE A INCÊNDIO (MAFFS), INCLUINDO EXECUÇÃO DOS SERVIÇOS DE MANUTENÇÃO, REPOSIÇÃO DE EQUIPAMENTOS, EXECUÇÃO DE REPAROS E REPOSIÇÃO DE EQUIPAMENTOS E COMPONENTES, ENTRE A UNIÃO FEDERAL, AQUI REPRESENTADA PELO PARQUE DE MATERIAL AERONÁUTICO DO GALEÃO, E A EMPRESA [NOME DA CONTRATADA]

A União Federal, por meio do **PARQUE DE MATERIAL AERONÁUTICO DO GALEÃO (PAMAGL)**, localizado na Rua Alfredo Rocha, 495 - Ilha do Governador CEP 21.941-580 - Rio de Janeiro , RJ, Brasil representado pelo Brig Eng **JORGE LUIZ CERQUEIRA FERNANDES**, no uso de suas atribuições legais, de acordo com a Diretriz nº 50, de 29 de janeiro de 1953, expedida pelo Ministério da Aeronáutica e pelo art. 61 Lei nº 8.666/93, aqui definido como CONTRATANTE, e a empresa [NOME DA CONTRATADA], localizada na [LOGRADOURO], CEP [CÓDIGO POSTAL], em [CIDADE - ESTADO] aqui definida como CONTRATADA, representada pelo Sr [REPRESENTANTE LEGAL], portador da Carteira de Identidade nº [NÚMERO], e de acordo com o PAG nº **67102.181301/2018-95**, e o resultado final da Licitação nº **181301/CABW/2018**, baseados nos princípios da Lei nº 8.666/93, Decreto nº 2.271/1997 e Instrução Normativa SLTI/MPOG nº 2, de 2008, e demais leis relacionadas, decidem firmar este CONTRATO e executar este instrumento, de acordo com os seguintes termos e condições:

----- MINUTA -----

1. DEFINIÇÕES

1.1. Com o objetivo de facilitar a compreensão das terminologias e simplificar a composição do texto, as abreviaturas e expressões a seguir serão adotadas com os seus respectivos significados listados ao lado de cada uma, declarados da seguinte forma:

1.1.1. ANAC - Agência Nacional de Aviação Civil, Autoridade Aeronáutica Brasileira.

1.1.2. BER – *Beyond Economic Repair*, isto é, reparo economicamente inviável.

1.1.3. CABW - Comissão Aeronáutica Brasileira em Washington – DC;

1.1.4. CELOG - Centro Logístico da Aeronáutica;

1.1.5. COMAER - Comando da Aeronáutica;

1.1.6. COMREC - Comissão de Recebimento de Material e Serviços formada por no mínimo três membros que, por intermédio da Unidade Gestora Contratante que representa o Comando da Aeronáutica junto à CONTRATADA, tem como atribuições efetuar o recebimento do objeto, seja ele bem material ou serviço de acordo com o estabelecido na ICA 65-8/2009 e na ICA 12-23/2014;

1.1.7. CONTRATADA - Empresa vencedora do certame depois de ocorrida a homologação e a adjudicação do objeto da licitação;

1.1.8. CONTRATANTE: União Federal-Comando da Aeronáutica, representado pelo Parque de Material do Galeão (PAMAGL), organização militar da Força Aérea Brasileira (FAB), subordinada à Diretoria de Material Aeronáutico e Bélico (DIRMAB), responsável pelo suporte logístico às aeronaves C-130.

1.1.9. CONTRATO - Ajuste que a Administração Pública (CONTRATANTE), agindo nessa qualidade, firma com particular ou outra Entidade Administrativa (CONTRATADA), para a contratação dos serviços aeronáuticos ora em pauta e nas condições estabelecidas pela própria Administração Pública. No escopo deste documento, refere-se ao contrato futuro a ser assinado entre a CONTRATANTE e a CONTRATADA.

1.1.10. CREA – Conselho Regional de Engenharia – Conselho responsável pela verificação e fiscalização do exercício e atividades da profissão de engenheiro;

1.1.11. DIRMAB - Diretoria de Material Aeronáutico e Bélico;

1.1.12. DOU - Diário Oficial da União;

1.1.13. EASA – European Aviation Safety Agency;

1.1.14. FAA – Federal Aviation Agency;

1.1.15. FAB - Força Aérea Brasileira;

1.1.16. FINDINGS – Não conformidade encontrada durante inspeção da aeronave ou do equipamento, que exijam ações corretivas não previstas nos cartões de inspeção previstos para a atividade de manutenção do qual a aeronave ou o equipamento são objeto;

1.1.17. FISCAL – Agente da administração especialmente designado como seu representante para acompanhar e fiscalizar a execução do instrumento contratual, permitida a contratação de terceiros para assisti-lo e subsidiá-lo de informações pertinentes a essas atribuições nas situações em que o seu conhecimento técnico não seja suficiente para exercê-las;

----- MINUTA -----

1.1.18. FISCALIZAÇÃO: Termo genérico relativo à atividade exercida por Agente da Administração na qualidade de Fiscal de contrato, ou por Comissão especificamente designada, de modo sistemático, com o objetivo de verificar o cumprimento das disposições contratuais e das ordens complementares emanadas da Administração sobre a execução do instrumento contratual, em todos os seus aspectos, a fim de identificar desvios e adotar ações no sentido de corrigi-los ou, quando fora da sua esfera de competência, propô-las à autoridade superior;

1.1.19. INFORMAÇÕES CONFIDENCIAIS – Quaisquer informações e dados, comerciais, industriais ou de projetos técnicos, relativos aos negócios existentes ou em desenvolvimento pelas partes; bem como quaisquer dados, textos, correspondências e informações reveladas oral ou visualmente, independente do meio em que forem transmitidas.

1.1.20. ICA - Instrução do Comando da Aeronáutica;

1.1.21. IG – Índice Geral – Método de avaliação da proposta mais vantajosa à Administração, na qual serão levados em consideração os aspectos técnicos (IT) e aspectos financeiros (IP);

1.1.22. IP – Índice de Preço - Método de avaliação dos aspectos financeiros apresentados na proposta de preço de cada licitante. O Índice de Preço insidirá de 60% de ponderação;

1.1.23. IT – Índice Técnico – Método de avaliação dos aspectos técnicos apresentados na proposta técnica de cada licitante. O Índice Técnico insidirá de 40% de ponderação.

1.1.24. INPP – Inspeção Nível Parque Programada, equivalente à PDM do Plano de Manutenção elaborado pela Força Aérea Americana (USAF);

1.1.25. INCOTERMS 2010 - Conjunto de regras internacionais para a interpretação dos termos de comércio mais comumente usados no Comércio Exterior, delimitando o início e o término das responsabilidades entre comprador e vendedor;

1.1.26. INVOICE ou **COMMERCIAL INVOICE** - Documento equivalente à nota fiscal ou à fatura comercial que, no exterior, acompanha o material adquirido ou serviço prestado, indicando a especificação do material ou a descrição do serviço, bem como suas quantidades e seus preços unitários e totais, além dos pesos e outras informações consideradas essenciais para o SISCOMEX. É considerada como documento mais importante para o desembaraço pelo importador pois contém todos os elementos relacionados com a operação de exportação;

1.1.27. MAFFS – Sistema de contra incêndio modular aeroembarcado;

1.1.28. LEI nº 8.666 – Lei de 21 de junho de 1993, que regulamenta o art. 37, inciso XXI, da Constituição Federal, institui normas para licitações e contratos da Administração Pública e dá outras providências. Estabelece regras ou normas gerais sobre licitações e contratos administrativos pertinentes a obras, serviços, inclusive de publicidade, compras, alienações e locações no âmbito dos Poderes da União, dos Estados, do Distrito Federal e dos Municípios;

1.1.29. LICITANTE - Empresa que apresentar proposta ao Certame licitatório;

1.1.30. PAAI – Procedimento administrativo interno formal composto do registro de todos os atos e da apuração dos fatos administrativos, necessário ao correto esclarecimento e

----- MINUTA -----

juízo da Autoridade Competente, permitindo-lhe instruir o devido processo legal, que culmine na aplicação ou não das sanções administrativas previstas na Lei;

1.1.31. PAMAGL – Parque de Material Aeronáutico do Galeão - CONTRATANTE

1.1.32. PO - PURCHASE ORDER - É uma Ordem de compra no exterior que equivale ao Empenho ou Nota de Empenho no Brasil; a garantia de que existe o crédito necessário para a liquidação de um compromisso assumido; é o primeiro estágio da despesa pública orçamentária.

1.1.33. REVO – Sistema de Reabastecimento em Voo;

1.1.34. SCRAP – Equipamento ou componente considerado sucata, em função de impossibilidade técnica de recuperação, ou serviço ser economicamente viável;

1.1.35. TERMO DE ENCERRAMENTO DO CONTRATO - Documento elaborado pelo FISCAL na ocasião do encerramento do contrato, em virtude do término sua execução total ou parcial.

1.1.36. TERMO DE RECEBIMENTO DEFINITIVO (TRD) – documento circunstanciado, lavrado por Agente da Administração, de forma isolada ou em comissão, designado pela autoridade competente, para atestar o recebimento definitivo de objeto contratual (bens ou serviços), após a verificação de todas as disposições previstas no procedimento licitatório e/ou nos instrumentos celebrados pela Administração Pública (contratos, convênios, acordos, ajustes, termos de ajustes, termos de cooperação, instrumentos congêneres, outros), com terceiros ou com Órgãos ou Entidades da própria Administração;

1.1.37. TERMO DE RECEBIMENTO PROVISÓRIO (TRP) – documento circunstanciado, lavrado por Agente da Administração, de forma isolada ou em comissão, designado pela autoridade competente, para atestar o recebimento provisório de etapa (s) contratual (ais), concomitante à verificação da conformidade do material e/ou serviço aplicado com a especificação definida no procedimento licitatório e nos instrumentos celebrados pela Administração Pública (contratos, convênios, acordos, ajustes, termos de ajustes, termos de cooperação, instrumentos congêneres, outros), com terceiros ou com Órgãos ou Entidades da própria Administração;

1.1.38. TPT – *Third Party Transfer* – Documento para transferência da propriedade para terceiros.

2. CLÁUSULA – OBJETO

2.1. Manutenção de aeronaves C-130, para a prestação do serviço de suporte logístico referente a 12 (doze) aeronaves, excluídos os seus motores T56A-15 completos, os sistemas de reabastecimento em voo (REVO) e sistema modular embarcado de combate a incêndio (MAFFS), incluindo execução dos serviços de manutenção, reposição de equipamentos, execução de reparos e reposição de equipamentos e componentes, conforme especificações técnicas e quantidades apresentadas no PROJETO BÁSICO nº 001/SDFC/2018 BSC, anexo I.

2.2. Por razões operacionais e de execução contratual, o objeto desta licitação será dividido em módulos.

----- MINUTA -----

2.2.1. MÓDULO 1: Execução dos serviços de manutenção ISOCRONAL e de correção de não-conformidades decorrentes do desgaste natural (*findings*), com fornecimento de mão-de-obra especializada e de todo o material reparável, consumível e trabalhável, das aeronaves C-130 da FAB, incluindo os cartões de inspeção de motores completos e REVO, de acordo com o Plano de Manutenção estabelecido pela USAF (*United States Air Force*). Este módulo terá seu desempenho medido pelo tempo de execução de cada serviço de manutenção ISOCRONAL, comparado com o tempo previsto nos manuais de manutenção que estabelecem o plano de manutenção da USAF.

2.2.2. MÓDULO 2: Fornecimento de material de troca obrigatória e eventual, e reposição de equipamentos e componentes, classificados como reparáveis ou trabalháveis, previstos nos manuais da USAF de manutenção das aeronaves C-130, que sejam necessários nas manutenções programadas de pre-voos, inter-voos, pós-voos e HSC, bem como nas manutenções não programadas decorrentes do desgaste natural do material, as quais serão realizadas pelas equipes operacionais da FAB, incluindo o material de instalação dos motores completos e dos sistemas REVO na aeronave, ficando excluído todo o material específico dos motores T56A-15 completos, dos sistemas REVO e MAFFS. Este módulo terá seu desempenho medido pelo tempo de fornecimento do material de troca obrigatória e eventual, bem como pelo tempo de envio e retorno do equipamento (TAT) comparado com o informado na proposta comercial.

2.2.3. MÓDULO 3: Execução de serviços de manutenção programada de PDM e de manutenção não programada referentes a eventos fora do controle da FAB, por exemplo, *lighting strike*, *hard landing* e *bird strike*, incluindo reparos estruturais, com fornecimento de mão-de-obra especializada e de todo o material reparável, consumível e trabalhável, das aeronaves C-130 da FAB, incluindo os cartões de inspeção de motores completos e REVO, conforme o Plano e os Manuais de Manutenção estabelecidos pela USAF. Este módulo será executado sob demanda (*Time & Material – T&M*), mediante solicitação formal do CONTRATANTE, apresentação formal de orçamento e pagamento de fatura específica para o serviço aprovado, sendo que o desempenho será medido pelo tempo de execução de cada atividade de manutenção comparado com o previsto em manual da USAF, no caso da PDM, e em orçamento, no caso de manutenção não programada.

2.2.4. MÓDULO 4: Fornecimento de material de troca obrigatória e eventual, e reposição de equipamentos e componentes, classificados como reparáveis ou trabalháveis, previstos nos manuais da USAF de manutenção das aeronaves C-130, que sejam necessários nas manutenções programadas de pre-voos, inter-voos, pós-voos e HSC, bem como nas manutenções não programadas, o qual seja necessário em função de dano que tenha ocorrido pela operação ou pela manutenção incorreta, ou inadequada, realizadas pelas equipes da FAB e que será utilizado pelas equipes operacionais da FAB para disponibilizar a aeronave, e inclui o material de instalação dos motores completos e dos sistemas REVO na aeronave, ficando excluído todo o material específico dos motores T56A-15 completos, dos sistemas REVO e MAFFS. Este módulo será executado sob demanda (*Time & Material – T&M*), mediante solicitação formal do CONTRATANTE, apresentação formal de orçamento e pagamento de fatura específica para o fornecimento aprovado, sendo que seu

----- MINUTA -----

desempenho será medido pelo tempo de fornecimento do material de troca obrigatória e eventual, bem como pelo tempo de envio e retorno do equipamento (TAT), comparado com o previsto em orçamento.

2.3. Por opção e no interesse da busca da proposta mais vantajosa para a Administração, a CONTRATANTE poderá fornecer o material para aplicação nos serviços, cujos valores serão descontados do custo dos serviços em execução, e não poderá haver incidência de taxas, impostos ou quaisquer outros custos sobre os valores dos materiais fornecidos.

2.4. Para todos os efeitos, os seguintes anexos serão parte integrante do presente CONTRATO, independentemente de existirem ou não, eles são aqui transcritos:

ANEXO A – PROJETO BÁSICO;

ANEXO B – PROPOSTA DE PREÇO DA CONTRATADA; e

ANEXO C – CRONOGRAMA FÍSICO-FINANCEIRO.

ANEXO D – CÓPIA DO CONTRATO EM PORTUGUÊS

2.5. Os serviços previstos neste CONTRATO deverão ser fornecidos sob a forma de execução indireta, através de um sistema de empreitada por **preço unitário**, devido às demandas dos diferentes módulos, que podem ocorrer em diferentes momentos e valores, de acordo com o ANEXO A – PROJETO BÁSICO.

3. CLÁUSULA – EXECUÇÃO CONTRATUAL

3.1. O CONTRATO deverá ser realizado com base na execução indireta de **preço unitário**.

4. CLÁUSULA – IDIOMA

4.1. Fica acordado entre as partes que o idioma do presente CONTRATO, com a finalidade de documentação, correspondência, e quaisquer outros interesses será o **Inglês**, com tradução para o **Português**, que integra o presente contrato conforme **Anexo D** possuindo o mesmo conteúdo e deverá ser assinado pelas mesmas partes e testemunhas.

5. CLÁUSULA – CONDIÇÕES PARA A PRESTAÇÃO DOS SERVIÇOS

5.1. Os serviços devem ser executados pela CONTRATADA conforme descrito neste termo e no PROJETO BÁSICO.

5.2. A CONTRATADA deverá aceitar e manter todas as condições exigidas na habilitação realizada durante o processo de licitação e durante a vigência do presente CONTRATO.

6. CLÁUSULA – OBRIGAÇÕES

6.1. Além do estabelecido no PROJETO BÁSICO, a parte CONTRATADA estará ainda obrigada a:

6.1.1. Fica ressaltado que a CONTRATADA está sujeita às obrigações descritas abaixo e conforme item 16.2 do Projeto Básico, Anexo A.

----- MINUTA -----

- 6.1.2.** Executar os serviços de acordo com as especificações fornecidas no PROJETO BÁSICO e na sua proposta, com os recursos necessários para a plena conformidade com as disposições do CONTRATO em comento;
- 6.1.3.** Observar rigorosamente as especificações e instruções contidas no Edital de Licitação;
- 6.1.4.** Assumir a responsabilidade total pelo fornecimento dos materiais e serviços contratados;
- 6.1.5.** Assegurar o fornecimento de todos os materiais e/ou equipamentos necessários para o cumprimento das obrigações contratuais;
- 6.1.6.** Assumir a responsabilidade pela seleção, qualificação, transporte, alimentação, alojamento, contratação e rescisão trabalhista de seus empregados, assim como para a situação jurídica da CONTRATADA para com as autoridades trabalhistas, de trânsito e seguros. A falha da CONTRATADA em cumprir com as obrigações estabelecidas neste CONTRATO, não torna a CONTRATANTE responsável por quaisquer pagamentos;
- 6.1.7.** Assumir a responsabilidade, ademais, por danos causados diretamente a CONTRATANTE, decorrente do desempenho dos serviços prestados pelos funcionários da CONTRATADA ou agentes nomeados;
- 6.1.8.** Fornecer todos os esclarecimentos solicitados pela CONTRATANTE, averiguando imediatamente as reclamações;
- 6.1.9.** Substituir, sem nenhum custo para a CONTRATANTE, todo o material ou equipamento fornecido danificado de qualquer forma ou danos causados pelo manuseio inadequado pelos empregados da CONTRATADA, ou que tenha sido rejeitado durante os testes de inspeção;
- 6.1.10.** Transportar, manusear e armazenar, com o cuidado adequado evitando choques, golpes ou a quebra, os materiais que serão usados durante o serviço, cuidando devidamente dos materiais que estão sujeitos a danos em virtude de calor, luz e umidade, e que devam ser armazenados em um ambiente adequado para a sua proteção, até que eles sejam utilizados;
- 6.1.11.** Arcar com as responsabilidades civis por todos e quaisquer materiais e por prejuízos causados por ação ou omissão por empregados contratados, trabalhadores, agentes ou representantes da CONTRATADA, intencionalmente ou não, perante o Comando da Aeronáutica, e terceiros;
- 6.1.12.** Contratar trabalhadores qualificados, com conhecimento essencial dos serviços que serão executados em conformidade com as regras e regulamentos em vigor;
- 6.1.13.** Ser responsável por todas as obrigações trabalhistas, sociais e fiscais, bem como por quaisquer outros direitos e obrigações previstos na legislação específica. A violação de quaisquer destas obrigações, não implica na transferência destas responsabilidades à CONTRATANTE;
- 6.1.14.** Instruir seus funcionários sobre a necessidade de seguirem as orientações fornecidas pela CONTRATANTE, inclusive no que diz respeito às normas e/ou regulamentos estabelecidas pela OM, se for o caso;
- 6.1.15.** Manter ao longo do prazo do CONTRATO, a coerência com as obrigações

----- MINUTA -----

assumidas e todas as condições de elegibilidade e qualificação exigidas na licitação;

6.1.16. Não transferir a terceiros, de qualquer forma, nem mesmo parcialmente, quaisquer responsabilidades assumidas;

6.1.17. Ser responsável por quaisquer custos resultantes de eventuais erros cometidos no cálculo da quantidade de itens na sua proposta, incluindo-se os custos variáveis associados com fatos futuros e incertos, sendo responsável por cobrir os itens que foram inicialmente previstos na sua proposta, mas que não foram suficientes para executar o objeto do presente processo licitatório;

6.1.18. A CONTRATADA será responsável pela prestação de todos os serviços e os mesmos devem ser realizados em conformidade com o CONTRATO e o PROJETO BÁSICO;

6.1.19. Não realizar quaisquer serviços extras antes de fornecer um orçamento estimado, que deve ser autorizado formalmente pela CONTRATANTE;

6.1.20. Nomear um gestor responsável pela gerenciamento global das atividades / serviços, monitorando o CONTRATO e interagindo com a FISCALIZAÇÃO;

6.1.21. Cumprir todos os prazos previstos no CONTRATO;

6.1.22. Cumprir todas as exigências da CONTRATANTE, especialmente àquelas relacionadas aos prazos, desempenho e conclusão dos serviços contratados, bem como com os requisitos relacionados aos serviços sob prazo especial, prioritários e emergenciais;

6.1.23. Observar o horário comercial das Organizações Militares, de acordo com a sua conveniência ou necessidade de qualquer mudança, comunicando/solicitando as alterações em relação ao horário de trabalho à FISCALIZAÇÃO com pelo menos 24 (vinte e quatro) horas de antecedência;

6.1.24. Ser responsável por quaisquer reclamações e encargos financeiros que possam surgir de quaisquer processos judiciais, ou danos causados direta ou indiretamente pela CONTRATADA, e que possa, eventualmente, ser argumentado contra a CONTRATANTE, por terceiros;

6.1.25. Usar equipamentos e ferramentas adequados, visando permitir a correta execução dos serviços, e utilizar métodos eficientes e seguros de trabalho;

6.1.26. É proibido a CONTRATADA divulgar a terceiros quaisquer informações sobre a natureza ou a progressão da entrega de material contemplado por este CONTRATO, bem como notificar a imprensa escrita ou oral, incluindo a televisão e / ou qualquer outro meio de divulgação pública, exceto com o consentimento explícito da CONTRATANTE.

6.2. A CONTRATANTE, por meio da assistência do FISCALIZAÇÃO, devidamente designado para tal função, será obrigada a:

6.2.1. Fica ressaltado que a CONTRATANTE está sujeita às obrigações descritas abaixo e conforme item 16.1 do Projeto Básico, Anexo A.

6.2.2. Nomear uma comissão de recebimento (COMREC), por meio de documento interno, para receber qualitativa e quantitativamente o objeto do CONTRATO;

----- MINUTA -----

- 6.2.3.** Proporcionar todas as condições que possibilitem a CONTRATADA proceder a execução dos serviços, em conformidade com as disposições previstas no CONTRATO, no Edital e em seus anexos, particularmente, no PROJETO BÁSICO;
- 6.2.4.** Exigir o cumprimento de todas as obrigações assumidas pela CONTRATADA de acordo com as disposições contidas no PROJETO BÁSICO, no CONTRATO e nos termos e condições de sua proposta;
- 6.2.5.** Efetuar a supervisão de serviços por agentes da Administração oficialmente designados para este fim, que registrarão quaisquer falhas encontradas;
- 6.2.6.** Notificar a CONTRATADA por escrito a ocorrência de quaisquer irregularidades durante a execução dos serviços, e estabelecer um prazo para a sua correção, de acordo com a ICA 12-23;
- 6.2.7.** Pagar a CONTRATADA o montante devido pela prestação de serviços, tal como estabelecido no CONTRATO por meio do recebimento e aceite de uma fatura; e
- 6.2.8.** Certificar-se que, ao longo do prazo do CONTRATO, todas as condições de elegibilidade e qualificações exigidas no processo de licitação serão mantidas, em conformidade com as obrigações assumidas pela CONTRATADA.

7. CLÁUSULA – DISCRIMINAÇÃO DOS SERVIÇOS

7.1. O CONTRATO deve ser realizado pela CONTRATADA conforme as disposições previstas no presente CONTRATO e no PROJETO BÁSICO.

8. CLÁUSULA – VALOR DO CONTRATO

8.1. O montante máximo total do contrato é de US\$ [VALOR] (VALOR), sendo empenhado inicialmente o valor de US\$ [VALOR] (VALOR), por meio da Nota de Empenho nº [NÚMERO], sendo os restantes US\$ [VALOR] (VALOR), o complemento da Nota de Empenho acima referida.

8.1.1. MÓDULO 1: O montante máximo é de US\$ [VALOR] (VALOR).

8.1.2. MÓDULO 2: O montante máximo é de US\$ [VALOR] (VALOR).

8.1.3. MÓDULO 3: O montante máximo é de US\$ [VALOR] (VALOR).

8.1.4. MÓDULO 4: O montante máximo é de US\$ [VALOR] (VALOR).

8.2. No valor contratado estão incluídas todas as despesas resultantes da execução dos serviços, direta ou indiretamente, incluindo, mas não se limitando, a qual é descrita a seguir: todos os custos como as taxas e/ou impostos, em conformidade com PROJETO BÁSICO, contribuições sociais, despesas, seguros, compensação do trabalhador, seguro de responsabilidade civil, trabalhista, previdência social, fiscal, taxas de administração, equipamentos, materiais, e toda e qualquer outro custo ou taxas necessárias para a execução do objeto do CONTRATO.

----- MINUTA -----

9. CLÁUSULA – DOTAÇÃO ORÇAMENTÁRIA

9.1. As despesas decorrentes da contratação deverão ser custeadas de acordo com a seguinte classificação orçamentária: **Programa 0621-** Preparo e Emprego da Força Aérea; **Ação 2048 -** Manutenção e Suprimento de Material Aeronáutico; ND 339030 (material) e ND 339039 (serviços); ou outra dotação aplicável ao projeto C-130.

9.2. A informação constante neste item é uma exigência do Governo Brasileiro, tendo apenas finalidade informativa.

10. CLÁUSULA – SUBCONTRATAÇÃO

10.1. O limite máximo aceito para subcontratação, da execução do presente objeto é de 50% (cinquenta por cento), calculado sobre o valor contratado, nos termos do item 13 do Projeto Básico, Anexo A.

10.2. A subcontratação deve ser autorizada pelo ORDENADOR DE DESPESAS da CONTRATANTE, mediante parecer técnico da FISCALIZAÇÃO, juntamente com a especificação das atividades que serão subcontratadas e o período que terão de ser realizados;

10.3. As empresas subcontratadas deverão possuir todos os requisitos de qualificação técnica estabelecidas no PROJETO BÁSICO, Anexo A, conforme atividade a ser desempenhada.

10.4. A CONTRATADA será responsável legal e contratualmente perante a CONTRATANTE pelos serviços subcontratados. Toda comunicação e/ou esclarecimentos ocorrerão diretamente entre CONTRATANTE e CONTRATADA. A comunicação e/ou esclarecimentos junto às subcontratadas será de inteira responsabilidade da CONTRATADA.

10.5. A CONTRATADA será responsável legal e contratualmente perante a CONTRATANTE pelos serviços subcontratados. A CONTRATADA responderá inteira e solidariamente pelas garantias, não somente dos serviços, mas, também, pela cobertura de seguros que lhe são imputados, em casos de sinistros ou avarias decorrentes dos serviços executados pela sua subcontratada.

10.6. A Subcontratação fica restrita aos serviços de manutenção dos equipamentos e componentes da configuração das aeronaves da FAB, com exceção dos motores T56A-15 completos, e dos sistemas REVO e MAFFS.

10.7. A prestação dos serviços de manutenção das aeronaves, conforme estabelecido pelos módulos 1 e 3, não poderá ser subcontratada, devendo ser realizada integralmente pela própria CONTRATADA.

10.8. Em caso de necessidade de subcontratação, conforme art. 72 da Lei 8.666, de 1993, as seguintes recomendações devem ser seguidas:

10.8.1. A CONTRATADA arcará com os riscos e ônus decorrente da subcontratação, incluindo-se, mas não se restringindo, a garantia da qualidade do serviço prestado.

10.8.2. A CONTRATADA deverá fornecer à CONTRATANTE, por meio do Fiscal do Contrato, todas as informações exigidas deste sobre o serviço, bem como das subcontratadas.

10.8.3. A CONTRATADA não ficará isenta de suas responsabilidades ou obrigações contratuais quando, em função de qualquer tipo de ajuste com suas subcontratadas, não

----- MINUTA -----

for possível o cumprimento de qualquer das obrigações previstas no contrato.

11. CLÁUSULA – PRAZOS

11.1. Prazo de Vigência

11.1.1. O prazo de vigência do Contrato deverá ser de **60 (sessenta) meses**, a contar da data de sua assinatura.

11.1.2. Em caráter excepcional, devidamente justificado e mediante autorização da autoridade superior, o prazo de vigência poderá ser prorrogado por até doze meses, em conformidade com o §4º do art. 57 da Lei nº 8.666/93.

11.2. Prazo de Execução

11.2.1. O contrato deverá ter prazo de execução de **58 (cinquenta e oito) meses**, a contar da data da emissão da respectiva Ordem de Serviço, isto é, documento assinado pelo representante legal da CONTRATANTE que autoriza o início da prestação dos serviços.

11.2.2. A emissão da Ordem de Serviço está condicionada à apresentação da garantia financeira de execução contratual.

11.3. Prazo de Recebimento

11.3.1. O recebimento provisório, a ser formalizado por meio da emissão de TERMO DE RECEBIMENTO PROVISÓRIO, se dará pela COMREC do CONTRATO, tão logo a parcela do OBJETO em fase de recebimento lhe for apresentada.

11.3.2. Após o recebimento provisório, a CONTRATANTE iniciará o recebimento definitivo da prestação dos serviços por meio de sua inspeção, em até 10 (dez) dias, a fim de confirmar a condição física, os certificados de qualidade e os registros de manutenção da aeronave ou do material sobressalente, equipamentos e componentes de configuração da aeronave FAB.

11.3.3. As não conformidades encontradas pela CONTRATANTE durante os recebimentos definitivos deverão ser notificadas à CONTRATADA dentro do prazo de recebimento definitivo de 10 (dez) dias, e corrigidas pela CONTRATADA em igual prazo, após a notificação. Caso seja constatada alguma DISCREPÂNCIA de natureza grave, este prazo poderá ser estendido, desde que devidamente justificado por escrito.

11.3.4. A inspeção dos serviços prestados em aeronaves será realizada no local onde a CONTRATADA realizar o serviço, e a inspeção de material sobressalente, equipamentos e componentes de aeronave da FAB, com exceção dos motores T56A-15 completos, e dos sistemas REVO e MAFFS, será realizada no destino final, isto é, na ALA 11, Rio de Janeiro – Brasil.

11.3.5. O recebimento definitivo será formalizado por meio do TERMO DE RECEBIMENTO DEFINITIVO, o qual será emitido até o final do prazo de 10 (dez) dias para realização da inspeção.

11.3.6. O prazo de recebimento obedecerá ao rito procedimental previsto na ICA 65-8 e na ICA 12-23.

11.4. Tempo de Processamento para Pagamento

----- MINUTA -----

11.4.1. O prazo de pagamento será de até **30 (trinta)** dias corridos contados a partir da data da apresentação do TERMO DE RECEBIMENTO, e ocorrerá nos termos do item 12.3 do Projeto Básico, Anexo A.

11.4.2. O prazo de recebimento obedecerá ao rito procedimental previsto na ICA 65-8 e na ICA 12-23.

12. CLÁUSULA – GARANTIA FINANCEIRA

12.1. A apresentação de uma garantia financeira será exigida da CONTRATADA, no montante de **5% (cinco por cento)** do valor total do contrato, no prazo de 10 (dez) dias úteis após a assinatura do CONTRATO, a fim de que a ORDEM DE SERVIÇO possa ser assinada. A CONTRATADA fornecerá a garantia financeira, em dólares americanos (USD).

12.2. A garantia que não abranger todos os possíveis riscos e perdas associadas com a execução do Contrato não será aceita.

12.3. A Garantia Financeira deve ser válida durante todo o prazo do CONTRATO.

12.4. Se o montante da garantia for utilizado, no todo ou em parte, a CONTRATADA deve repor o respectivo montante no prazo de 5 (cinco) dias úteis, a partir da data em que for notificada.

12.5. Após a conclusão do CONTRATO, e após a confecção do último Termo de Recebimento Definitivo, quando o cumprimento regular de todas as obrigações da CONTRATADA for verificado, a garantia será liberada e devolvida.

12.6. Todos os custos associados à garantia financeira são por conta da CONTRATADA.

12.7. Se o contrato for aditivado, a garantia financeira deverá ser estendida para refletir a data de vencimento do CONTRATO.

13. CLÁUSULA - GARANTIA TÉCNICA

13.1. A garantia técnica seguirá conforme o que preconiza o item 10 do Projeto Básico, Anexo A.

14. CLÁUSULA - LOCAL DE EXECUÇÃO

14.1. O local de execução dos serviços está descrito no item 9 do Projeto Básico, Anexo A.

15. CLÁUSULA – ALTERAÇÕES CONTRATUAIS

15.1. O CONTRATO poderá ser alterado unilateralmente pela CONTRATANTE nas seguintes situações:

15.1.1. Quando houver modificação do projeto ou das especificações, para melhor adequação técnica aos seus objetivos.

15.1.2. Quando necessária a modificação do valor contratual em decorrência de acréscimo ou diminuição quantitativa de seu objeto

15.1.3. A CONTRATADA fica obrigada a aceitar, nas mesmas condições contratuais, os acréscimos ou supressões que se fizerem nos serviços, até 25% (vinte e cinco por cento) do valor inicial atualizado do contrato.

----- MINUTA -----

15.1.3.1.1. Deduções no montante que exceda ao limite de 25% (vinte e cinco por cento) do valor do CONTRATO somente serão feitas quando ambas as partes estiverem de acordo.

15.2. O CONTRATO poderá ser alterado por acordo entre as partes nas seguintes situações:

15.2.1. Quando necessária a modificação do regime de execução da obra ou serviço, bem como do modo de fornecimento, em face de verificação técnica da inaplicabilidade dos termos contratuais originários;

15.2.2. Quando necessária a modificação da forma de pagamento, por imposição de circunstâncias supervenientes, mantido o valor inicial atualizado, vedada a antecipação do pagamento, com relação ao cronograma financeiro fixado, sem a correspondente contraprestação de fornecimento de bens ou execução de obra ou serviço;

15.2.3. Para restabelecer a relação que as partes pactuaram inicialmente entre os encargos do contratado e a retribuição da administração para a justa remuneração do serviço, objetivando a manutenção do equilíbrio econômico-financeiro inicial do contrato, na hipótese de sobrevirem fatos imprevisíveis, ou previsíveis porém de consequências incalculáveis, retardadores ou impeditivos da execução do ajustado, ou, ainda, em caso de força maior, caso fortuito ou fato do príncipe, configurando álea econômica extraordinária e extracontratual.

16. CLÁUSULA - ALTERAÇÃO SUBJETIVA

16.1. É admissível a fusão, cisão ou incorporação da CONTRATADA com/em outra pessoa jurídica, desde que sejam observados pela nova pessoa jurídica todos os requisitos de habilitação exigidos neste Edital de Licitação; sejam mantidas as demais cláusulas e condições do Contrato; não haja prejuízo à execução do objeto pactuado e haja anuência expressa da Administração à continuidade do Contrato.

17. CLÁUSULA - AJUSTE DE PREÇOS

17.1. Conforme Art. 65, da Lei 8666, de 1993, o contrato poderá ser alterado para restabelecer a relação que as partes pactuaram inicialmente entre os encargos do contratado e a retribuição da administração para a justa remuneração da obra, serviço ou fornecimento, objetivando a manutenção do equilíbrio econômico-financeiro inicial do contrato, na hipótese de sobrevirem fatos imprevisíveis, ou previsíveis porém de consequências incalculáveis, retardadores ou impeditivos da execução do ajustado, ou, ainda, em caso de força maior, caso fortuito ou fato do príncipe, configurando álea econômica extraordinária e extracontratual.

17.2. O equilíbrio econômico financeiro será baseado em proposição formal da CONTRATADA e somente após o decurso de 12 meses da assinatura do Contrato.

17.3. O equilíbrio físico-financeiro será precedido de solicitação da CONTRATADA, acompanhado de planilha com a demonstração analítica da variação dos componentes dos custos do contrato, na qual deverão constar a composição do preço atual e a do preço da proposta.

----- MINUTA -----

17.4. É vedada a inclusão, de benefícios não previstos na proposta inicial, exceto quando se tornarem obrigatórios por força de instrumento legal, sentença normativa, acordo coletivo ou convenção coletiva.

17.5. Quando da solicitação de equilíbrio econômico financeiro, este somente será concedida mediante negociação entre as partes, considerando-se:

17.5.1. A ocorrência de fato imprevisível, ou previsível porém de consequências incalculáveis retardador ou impeditivo da execução do ajustado e a sua adequada caracterização;

17.5.2. A ocorrência de caso de força maior, de caso fortuito, ou fato do príncipe, configurando álea econômica extraordinária ou extracontratual, a sua adequada configuração;

17.5.3. A demonstração do desequilíbrio, mediante requerimento da contratada contendo duas planilhas de composição dos preços: uma da proposta de preços inicial e outra do preço atual;

17.5.4. O exame econômico da planilha mediante a conferência de cálculos aritméticos para a obtenção do novo preço;

17.5.5. A elaboração da memória de cálculo correspondente;

17.5.6. A análise do novo preço re-equilibrado em relação aos preços de mercado;

17.5.7. A existência de dotação orçamentária para custear uma eventual alteração do preço

17.6. A decisão sobre o pedido deve ser feita no prazo máximo de sessenta dias, contados a partir da solicitação e da entrega dos comprovantes de variação dos custos.

17.7. No caso de equilíbrio econômico-financeiro, será lavrado termo aditivo ao contrato vigente.

17.8. O prazo referido no parágrafo anterior ficará suspenso enquanto a CONTRATADA não cumprir os atos ou apresentar a documentação solicitada pela contratante para a comprovação do desequilíbrio.

17.9. A CONTRATANTE poderá realizar diligências para conferir o desequilíbrio alegado pela CONTRATADA.

17.10. A apresentação da proposta de equilíbrio econômico-financeiro pela CONTRATADA não obriga a aceitação pela CONTRATANTE.

17.11. Caso a CONTRATADA não apresente outros índices devidamente justificados, o valor máximo do equilíbrio econômico-financeiro será o corresponderá à variação do CPI (*Customer Price Index, issued by the Bureau of Labor Statistics – BLS – Relativo ao Ministério do Trabalho Norte-Americano*).

18. CLÁUSULA – PAGAMENTO

18.1. O prazo de pagamento será de até 30 (trinta) dias corridos contados a partir da data da apresentação do TERMO DE RECEBIMENTO, acompanhado da Nota Fiscal, conforme rito processual asseverado na ICA 65-8.

18.2. A fatura será emitida pela CONTRATADA de acordo com os seguintes procedimentos:

----- MINUTA -----

18.2.1. A "aprovação" da Nota Fiscal está condicionada ao cumprimento dos serviços descritos na fatura apresentada pela CONTRATADA; e

18.2.2. Em caso de falha na apresentação dos documentos necessários, ou de uma situação que impeça que a fatura seja paga, o pagamento permanecerá suspenso até que a CONTRATADA tome as medidas cabíveis para resolver todas as questões pendentes. Neste caso, o prazo para pagamento contará depois que as pendências forem solucionadas pela CONTRATADA, sem quaisquer custos para a CONTRATANTE.

18.3. A data do pagamento será quando a transferência bancária for processada pelo banco da CONTRATANTE. A CONTRATANTE não será responsável por quaisquer taxas cobradas pela instituição financeira da CONTRATADA.

18.4. A CONTRATANTE não será responsável por quaisquer despesas que possam ser feitas pela CONTRATADA que não foram acordadas no CONTRATO.

18.5. Caso a CONTRATADA deseje receber o pagamento em outra moeda ao invés de Dolares Americanos, esta arcará com quaisquer custos de taxa de câmbio e de outras taxas bancárias porventura existentes.

18.5.1. O pagamento feito em moeda brasileira será efetuado à taxa de câmbio vigente no dia útil imediatamente anterior à data do efetivo pagamento.

18.6. A sistemática do pagamento com a utilização dos ativos considerados inservíveis pela FAB está discriminada no item 12.3 do Projeto Básico, Anexo A.

19. CLÁUSULA – FISCALIZAÇÃO

19.1. A FISCALIZAÇÃO deverá ser realizada por agentes da Administração, especificamente designada pela Administração, de acordo com os preceitos estabelecidos pela Lei nº 8.666 / 1993, ICA nº 65-8 / 2009, e ICA nº 12-23 / 2014, de modo a acompanhar e fiscalizar o cumprimento do CONTRATO a ser executado.

19.2. A FISCALIZAÇÃO deverá ser realizada conforme o que preconiza este edital e o item 15 do Projeto Básico, Anexo A.

20. CLÁUSULA – RECEBIMENTO DO OBJETO

20.1. Os serviços que são objeto deste EDITAL devem ser recebidos pela COMREC em conformidade com as especificações estabelecidas no PROJETO BÁSICO, Anexo A.

20.1.1. Todas as propostas, perguntas, discrepâncias e dificuldades encontradas durante a execução do CONTRATO ou que necessitem de uma avaliação devem ser apresentadas à FISCALIZAÇÃO, para apreciação do ORDENADOR DE DESPESAS da CONTRATANTE.

21. CLÁUSULA – CASOS FORTUITOS E FORÇA MAIOR

21.1. Eventos imprevisíveis ou de força maior devem ser comunicados por escrito ORDENADOR DE DESPESAS da CONTRATANTE, por meio da FISCALIZAÇÃO, de modo que ele possa decidir o curso de ação apropriado, desde que tenha sido comprovado que tais

----- MINUTA -----

eventos afetem os serviços/materiais fornecidos em consonância com o objeto do presente CONTRATO.

21.2. Para os fins a que se destinam o presente CONTRATO, os eventos serão considerados imprevisíveis ou de força maior, caso se encaixem na descrição legal prevista no parágrafo único do art. 393 do Código Civil Brasileiro, ou nos termos do inciso II, §1º, art. 57 da Lei nº 8.666/93.

22. CLÁUSULA – PENALIDADES E SANÇÕES ADMINISTRATIVAS

22.1. Para a aplicação de sanções administrativas devem ser considerados: a gravidade da falta; a reincidência; o dano causado ao Interesse Público; e, o prejuízo causado à Administração.

22.2. Falha em cumprir o CONTRATO como um todo ou em parte ou qualquer violação das obrigações constantes no CONTRATO, sujeitará a CONTRATADA, sem prejuízo de outras penalidades civis e criminais, a todos e quaisquer danos e recursos disponíveis à contratação pela CONTRATANTE, nos termos do CONTRATO ou da lei aplicável, assegurando o devido processo legal, às seguintes penalidades:

22.2.1. Advertência é a sanção administrativa aplicada quando a CONTRATADA infringir, pela primeira vez, obrigações afetas ao atraso nos prazos contratuais ou apresentação de nota fiscal com incorreção, ou ainda, pelo não cumprimento de orientações da fiscalização no prazo de até 48 (quarenta e oito) horas contados da notificação por parte da FISCALIZAÇÃO. Para aplicação de Advertência deve ser instruído um PAAI.

22.2.2. A Advertência não deverá ser proposta para casos de reincidência na mesma espécie de descumprimento de obrigação contratual.

22.2.3. As multas a que se referem o inciso II, do art. 87 (multa por inexecução total ou parcial do contrato), da Lei nº 8.666/93, poderão ser definidas e aplicadas:

22.2.3.1. Por inexecução total ou parcial do objeto contratado:

22.2.3.1.1. Poderá ser aplicada multa por inexecução parcial do ajuste no valor de 0,2% (dois décimos por cento) do valor do CONTRATO, caso a CONTRATADA descumpra qualquer condição ajustada no CONTRATO; e

22.2.3.1.2. Quando a CONTRATADA der causa à rescisão, será aplicada a multa por inexecução total do ajuste de 10% (dez por cento) do valor atualizado do CONTRATO, sem prejuízo da multa de mora ou das demais sanções de que trata o art. 87 da Lei nº 8.666/93.

22.3. Facultada a defesa prévia do interessado, no prazo de 5 (cinco) dias úteis, a multa por inexecução total ou parcial do CONTRATO poderá ser aplicada, juntamente com as demais sanções administrativas previstas nos incisos I, III e IV, do art. 87, da Lei nº 8.666/93.

22.4. A CONTRATANTE deverá informar à CONTRATADA o valor a ser recolhido, exauridos todos os recursos administrativos e o direito de ampla defesa, devendo a CONTRATANTE descontar o valor das parcelas vincendas.

----- MINUTA -----

22.4.1. Caso não seja satisfeito o pagamento na forma dos itens anteriores, será promovido o desconto da multa devida, executando-se a garantia do CONTRATO.

22.5. Após as ações previstas nos itens anteriores, caso persista a negativa de pagamento da multa, o Ordenador de Despesas (titular ou delegado) da CONTRATANTE, quando cabível, remeterá o Processo à Procuradoria-Geral da Fazenda Nacional (PGFN), para análise e inscrição da empresa sancionada na Dívida Ativa da União (DAU) e/ou viabilizar a execução judicial, em função do valor envolvido.

22.6. A aplicação de multa não exime a CONTRATADA da reparação dos eventuais danos, perdas e prejuízos que seu ato punível venha acarretar à Administração, tampouco exclui a possibilidade da imposição de outras penalidades administrativas.

22.7. Da aplicação das multas previstas nos itens anteriores, caberá recurso no prazo de 5 (cinco) dias úteis.

22.8. A suspensão temporária de participação em licitação e o impedimento de contratar com a Administração, serão aplicados, no âmbito do COMAER, com a seguinte gradação:

22.8.1. Por até 30 (trinta) dias:

22.8.1.1. No descumprimento do prazo fixado para adoção de medidas corretivas, quando da aplicação da sanção de advertência; e

22.8.1.2. Na perturbação de qualquer ato da sessão pública da licitação.

22.8.2. Por até 3 (três) meses:

22.8.2.1. Na desistência de proposta, sem que haja justo motivo decorrente de fato superveniente;

22.8.2.2. Na arguição da inexecutabilidade dos próprios preços ofertados;

22.8.2.3. Na interposição de recurso manifestamente protelatório.

22.8.3. Por até 6 (seis) meses:

22.8.3.1. Na recusa do licitante vencedor, convocado dentro do prazo de validade de sua proposta, a assinar ou aceitar o contrato, ou retirar o instrumento equivalente;

22.8.3.2. Na falta de apresentação de garantia contratual, nos termos do edital da licitação;

22.8.3.3. Na reincidência da prática de ilícito sancionável na forma das Alíneas 22.8.1 e 22.8.2 deste item, em prazo inferior a 24 (vinte e quatro) meses;

22.8.3.4. Na aplicação da segunda sanção administrativa de multa nesta contratação;

22.8.3.5. Na aplicação de duas sanções administrativas de advertência e uma de multa, no âmbito do COMAER, no prazo de 12 (doze) meses, sem que o fornecedor tenha adotado as medidas corretivas no prazo determinado pela Administração; e

22.8.3.6. Na aplicação de duas sanções administrativas de multa no âmbito do COMAER, no prazo de 12 (doze) meses, sem que o fornecedor tenha adotado as medidas corretivas no prazo determinado pela Administração;

22.8.4. Por até 12 (doze) meses:

----- MINUTA -----

22.8.4.1. Quando a CONTRATADA retardar imotivadamente a execução do serviço, que implique em rescisão contratual;

22.8.4.2. Quando a CONTRATADA não quitar/saldar a multa no prazo estabelecido, nas situações em que não for possível descontar o seu valor da garantia ou dos créditos decorrentes de parcelas executadas; e

22.8.4.3. Na reincidência de prática de inadimplemento sancionável na forma da alínea “22.8.3”, em prazo inferior a 36 (trinta e seis) meses;

22.8.5. Por até 24 (vinte e quatro) meses:

22.8.5.1. Na prática de ato ilícito, visando frustrar os objetivos da licitação, tais como: a formação de conluio ou de cartel;

22.8.5.2. Na apresentação de documentos “fraudulentos”, “adulterados”, “falsos” ou “falsificados”;

22.8.5.3. Na emissão de “declaração falsa”;

22.8.5.4. Na condenação definitiva pela prática dolosa de fraude fiscal no recolhimento de tributos relacionados ao contrato;

22.8.5.5. Na paralisação do serviço sem justo motivo e sem prévia comunicação à Administração;

22.8.5.6. Na entrega de material “falsificado” ou “adulterado”, utilizando-se de artimanhas para ludibriar a Administração;

22.8.5.7. Na inexecução contratual da qual resultem graves prejuízos à Administração; e

22.8.5.8. Na reincidência da prática de inadimplemento sancionável na forma da alínea “22.8.4”, em prazo inferior a 48 (quarenta e oito) meses.

22.9. Para efeito do disposto neste Edital, no que concerne à aplicação da sanção administrativa de suspensão temporária de participação em licitação e impedimento de contratar com a Administração, o termo “Administração” refere-se ao COMAER.

22.10. Entende-se por falhar na execução do CONTRATO não concluir a prestação do serviço de acordo com as especificações técnicas contidas neste Edital.

22.11. Entende-se por comportamento inidôneo, a conduta intencional de tentar enganar ou corromper a Administração, ou qualquer de seus agentes, para obter vantagem indevida.

22.12. O PAAI de aplicação da Declaração de Inidoneidade será encaminhado ao Ministro de Estado da Defesa, via cadeia de comando e após parecer da COJAER, em face da competência exclusiva de aplicação da sanção pelo Ministro de Estado. A aplicação desta sanção ocorrerá quando do enquadramento em qualquer das situações abaixo:

22.12.1. Tenha a empresa ou profissional sofrido condenação definitiva pela prática, por meios dolosos, de fraude fiscal no recolhimento de quaisquer tributos;

22.12.2. Tenha a empresa ou profissional praticado ato ilícito visando a frustrar os objetivos da licitação;

22.12.3. A Administração venha a constatar que a empresa ou profissional não possua idoneidade para contratar em virtude de atos ilícitos praticados; ou

22.12.4. Constatação, pelo Tribunal de Contas da União, da ocorrência de fraude comprovada à licitação.

----- MINUTA -----

22.13. Os critérios para a Declaração de Inidoneidade, a qual não poderá exceder 5 (cinco) anos nos termos da legislação vigente, serão remetidos à COJAER, para posterior remessa ao Ministro de Estado da Defesa. A reabilitação para esta sanção pode ser requerida pelo interessado após decorridos 2 (dois) anos de sua aplicação.

22.14. No ato de Declaração de Inidoneidade será sugerido a aplicação da sanção que deverá indicar no respectivo PAAI, para fim de reabilitação do fornecedor, o valor a ser ressarcido, com os acréscimos legais devidos e as eventuais obrigações.

23. CLÁUSULA – VINCULAÇÃO

23.1. Este CONTRATO fica condicionado ao Edital nº **181301/CABW/2018**, e à Proposta de Preço da CONTRATADA, apresentada pela empresa [NOME DA EMPRESA] para a CABW.

24. CLÁUSULA – RESCISÃO

24.1. De acordo como disposto no Art. 78 da Lei nº 8.666/93, as seguintes situações se constituem em motivos suficientes para cancelar o presente CONTRATO:

- 24.1.1.** O não cumprimento de cláusulas contratuais, especificações, projetos e prazos;
- 24.1.2.** Cumprimento irregular de cláusulas contratuais, especificações, projetos e prazos;
- 24.1.3.** A lentidão do seu cumprimento, levando a CONTRATANTE a comprovar a impossibilidade da conclusão dos serviços nos prazos estipulados;
- 24.1.4.** Atraso injustificado no início dos serviços;
- 24.1.5.** A paralisação do serviço, sem justa causa e prévia comunicação à Administração;
- 24.1.6.** A subcontratação total ou parcial do seu objeto, a associação da CONTRATADA com outrem, a cessão ou transferência, total ou parcial, bem como a fusão, cisão ou incorporação, não admitidas no Edital de Licitação e neste CONTRATO;
- 24.1.7.** O não atendimento das determinações regulares da autoridade designada para acompanhar e fiscalizar a sua execução, assim como as de seus superiores;
- 24.1.8.** O cometimento reiterado de faltas na sua execução, anotadas na forma do §1º do art. 67 da Lei 8.666/93;
- 24.1.9.** Decretação de falência ou a instauração de insolvência civil;
- 24.1.10.** Dissolução da sociedade ou o falecimento do contratado;
- 24.1.11.** Alteração social ou a modificação da finalidade ou da estrutura da CONTRATADA, que prejudique a execução do CONTRATO;
- 24.1.12.** Razões de interesse público, de alta relevância e amplo conhecimento, justificadas e determinadas pela máxima autoridade da esfera administrativa a que está subordinada a CONTRATADA, exaradas no processo administrativo do respectivo CONTRATO;
- 24.1.13.** A suspensão dos serviços, por ordem escrita da CONTRATANTE, por prazo superior a 120 (cento e vinte) dias, salvo em caso de calamidade pública, grave perturbação interna ou guerra, ou ainda por repetidas suspensões que totalizem o mesmo prazo. Além do pagamento obrigatório de indenização à CONTRATADA, esta também tem

not

----- MINUTA -----

o direito nestes casos de suspender o cumprimento de suas obrigações até que a normalidade seja alcançada;

24.1.14. O atraso superior a 90 (noventa) dias úteis dos pagamentos devidos pela CONTRATANTE decorrentes dos serviços, fornecimento e obras já recebidos ou executados, salvo em caso de calamidade pública, grave perturbação da ordem interna ou guerra. A CONTRATADA terá o direito de suspender o cumprimento das suas obrigações até que a normalidade seja alcançada;

24.1.15. Falha da CONTRATANTE em disponibilizar as instalações ou o objeto para a realização de serviços dentro dos prazos estabelecidos;

24.1.16. Casos fortuitos ou de força maior que impeçam a execução do CONTRATO, que deve ser devidamente demonstrado; e

24.1.17. Descumprimento do disposto no inciso V, art. 27 da Lei nº 8.666/ 93, sem prejuízo das sanções penais cabíveis.

24.2. A rescisão será formalmente registrada sob a lei, com os direitos ao devido processo legal e ampla defesa assegurados.

24.3. A rescisão deste CONTRATO poderá ser:

24.3.1. Decidida unilateralmente e por escrito pela CONTRATANTE nos casos listados nos itens 24.1.1 a 24.1.12 e 24.1.16 desta cláusula;

24.3.2. A rescisão do CONTRATO também ocorrerá na suspensão pela Administração de serviços resultando em ajustes do montante inicial do CONTRATO até o limite de 25% (vinte e cinco por cento), sem responsabilidade da CONTRATADA;

24.3.3. Amigável, por acordo entre as partes, reduzida a termo aditivo ao CONTRATO, desde que conveniente para a CONTRATANTE; e

24.3.4. Judicialmente, nos termos da legislação aplicável.

24.4. A CONTRATADA será restituída das perdas incorridas, desde que possa demonstrá-las, a respeito da rescisão do CONTRATO com base nos itens 24.1.12, 24.1.13, 24.1.14, 24.1.15 e 24.1.16 de acordo com esta cláusula, tendo o direito à:

24.4.1. Devolução da garantia financeira;

24.4.2. Pagamentos devidos pela execução do CONTRATO até a data da rescisão; e

24.4.3. Pagamento do custo da desmobilização.

24.5. A rescisão administrativa ou amigável deve ser precedida de autorização por escrito e bem fundamentada pela autoridade competente.

24.6. A rescisão do CONTRATO por descumprimento de cláusulas contratuais, deverá fazer com que a garantia financeira a ser executada compense a CONTRATANTE no tocante às multas previstas na Cláusula 22 e as indenizações devidas. Quaisquer créditos decorrentes do CONTRATO serão retidos até ao limite das perdas causadas à CONTRATANTE, além das sanções previstas neste CONTRATO.

24.6.1. O Termo de Rescisão deve incluir:

24.6.1.1. Avaliação dos serviços contratuais prestados e aqueles que foram totalmente concluídos;

24.6.1.2. Lista de pagamentos efetuados e pagamentos devidos; e

24.6.1.3. Indenizações e multas.

----- MINUTA -----

25. CLÁUSULA – FORO

25.1. Este CONTRATO será elaborado e interpretado de acordo com os princípios da Lei nº8.666/93, e será regido e executado de acordo com as leis do Distrito de Columbia, incluindo o *Uniform Commercial Code*, tal como adotado no Distrito de Columbia, sem levar em conta qualquer escolha de lei ou conflito de leis e doutrinas que possam ser aplicadas. A Convenção das Nações Unidas sobre Contratos para a Venda Internacional de Bens não terá aplicação a este CONTRATO.

25.2. As partes acordam em fazer uma tentativa diligente, de boa fé para resolver amigavelmente todas as disputas antes que qualquer uma das partes inicie litígios nos termos da presente Cláusula (Cláusula de Rescisão Contratual) deste CONTRATO.

25.3. Quaisquer controvérsias ou reclamações decorrentes ou relacionadas a este CONTRATO, como uma violação do mesmo, devem ser apresentadas ao Superior Tribunal do Distrito de Columbia ou do Tribunal Distrital dos Estados Unidos no Distrito de Columbia, jurisdição exclusiva para o envio dos reclames pelas partes.

26. CLÁUSULA – NOTIFICAÇÕES E CORRESPONDÊNCIAS

26.1. Toda as correspondências, relatórios e notificações decorrentes da execução do presente CONTRATO devem ser feitas por escrito e só serão consideradas recebidas pela CONTRATANTE e CONTRATADA, devendo ser entregues nos endereços indicados abaixo, por uma parte à outra parte ou de quaisquer outros endereços que possam se comunicar, durante a vigência do presente CONTRATO.

27. CLÁUSULA - CONFIDENCIALIDADE

27.1. As INFORMAÇÕES CONFIDENCIAIS deverão ser usadas exclusivamente para o contrato e negociações entre CONTRATADA E CONTRATANTE e os termos descritos no Projeto Básico, Anexo A, item 17.

28. CLÁUSULA - SUSTENTABILIDADE

28.1. Qualquer instalação, equipamento ou processo, situado em local fixo, que libere ou emita matéria para a atmosfera, por emissão pontual ou fugitiva, utilizado na execução contratual, deverá respeitar os limites máximos de emissão de poluentes admitidos na Resolução CONAMA n° 382, de 26/12/2006, e legislação correlata, de acordo com o poluente e o tipo de fonte, se estiver localizada no Brasil, ou legislação correlata, se estiver localizada no exterior.

28.2. Na execução contratual, conforme o caso, a emissão de ruídos não poderá ultrapassar os níveis considerados aceitáveis pela Norma NBR-10.151 – Avaliação do Ruído em Áreas Habitadas visando o conforto da comunidade, da Associação Brasileira de Normas Técnicas - ABNT, ou aqueles estabelecidos na NBR-10.152 – Níveis de Ruído para conforto acústico, da Associação Brasileira de Normas Técnicas – ABNT, nos termos da Resolução CONAMA n° 01, de 08/03/1990, ou legislação correlata, se estiver localizada no exterior

28.3. Nos termos do artigo 4°, § 3°, da Instrução Normativa SLTI/MPOG n° 1, de 19/01/2010, ou norma pertinente à respectiva localidade de operação/manutenção da aeronave, deverão ser utilizados, na execução contratual, agregados reciclados, sempre que existir a oferta de tais materiais, capacidade de suprimento e custo inferior em relação aos agregados naturais, inserindo-se na planilha de formação de preços os custos correspondentes
