

The BACW's Bidding Commission hereby present questions made by companies with their respective answers.

Question 1 – *“Based on the utilization rate of the Rolls Royce 3007A engine of the Brazilian Air Force, OGMA proposes not to apply SB 72-240 as stated in Annex A page 18 and in Annex B page 23, except when the wheels are rejected. In case of acceptance, OGMA will apply the AD2011-22-03 on the original 6 to 13 stage wheels.*

Please Confirm Acceptance.”

Answer: Yes. It is confirmed.

Furthermore, the Brazilian Aeronautical Commission appreciates the question, and stands available to clarify and explain any doubts or concerns in order to increase the BID quality. Any questions or concerns must be submitted to con@cabw.org

Note: This information has been made available at BACW website in the publishing for the related Bidding Process.
