**REVERSE AUCTION N° 240582/CABW/2024**  
**MEETING MINUTES 02/240582/CABW/2024**

At 13:00 a.m. (EST), on December 19<sup>th</sup>, 2024, the Brazilian Aeronautical Commission's (BACW) Bidding Commission held a meeting for the Reverse Auction n. 240582/CABW/2024, to be awarded based on the **HIGHEST DISCOUNT PER ITEM** to supply aviation kerosene fuel, on demand, to supply aircraft and equipment of the Aeronautical Command on missions outside Brazilian territory, in accordance with the conditions, quantities and requirements of Term of Reference 01/SSCB/2024.

The contracting officer received the adjusted bids, on time, from Associated Energy Group LLC (AEG FUELS), AVFUEL CORPORATION, AVIASUR CORP, EX FIS SH. P.K, JETEX, and WORD FUEL SERVICES.

The Qualification Documents - Envelope 2 submitted by the above-mentioned bidders were carefully checked and analyzed by the Contracting Officer and, on this basis, the companies AEG FUELS, AVFUEL, AVIASUR, EX FIS, JETEX and WORD FUEL were QUALIFIED in accordance with all the requirements of this Bidding Process.

After due diligence, the Contracting Officer declared the winners as described in the attached Comparative Map - Bidding Phase. It should be noted that it was necessary to make a small correction in relation to item 39, because the Company AVIASUR appears as the "winner" column of the comparative map, nevertheless, the best offer was from the Company EX FIS with a discount of 0.50. Therefore, EX FIS is considered the winner.

Having complied with all due legal and administrative procedures, the Contracting Officer closes this Bidding Process, from which these minutes are derived, for signature by all meeting participants and subsequent incorporation into the Bidding Process ("PAG") No. 67102.240582/2024-73.
