- By submitting the proposal, I declare that I am aware that the amount proposed is the total amount that will be paid in US dollars after delivery of the new PT6A-34 engine under the conditions set out in Terms of Reference 25/PAMASP/2024.;
- I also declare that I am aware that it is not compulsory to receive a used PT6A-34 engine as part of the payment, according to the appraised value in the Appraisal Term attached to the Public Notice.; and
- If a used engine is accepted as a form of payment, the value in the Valuation Statement attached to the Public Notice must be taken into account.
